Dani Carter 403
"Class of 1980"

DANEEN,

Well, what can I say? All I could really say is that I'm really glad I got to meet a super person like you in this stupid school. Were also finally going to graduate (alright!) Well I hope everything you ever wish for comes true and I also wish everything goes good for you and your honey "Pete". I also hope to see you around.

Love & Friendship

Cathy

Daneen, You have been such a great friend of mine. thank You for all your help. You have been a counselor, a friend, a real pal. I hope that your future is filled with excitement.

I love you alot —

Maria Perez

Daneen,

Well, I guess it's over finally over! It's been great talking with you & how could I ever forget you trying to play cupid. That's something I'll never forget. maybe we'll see each other during summer. well, god Bless and take care

Love, Laura

Daneen,
It's been a long time I think around 12 years. How are we still in school Hope you succeed in future. Don't forget The class of "80" and all the good times. See you later
Bert

PS. see you Grad Nite.

Daneen,
Schools finally coming to an end. It sounds good know, but I bet we both miss it, especially all the people. I'll always remember P.E & the great football games we used to have. I think it was sophomore year, wasn't it? You really are a beautiful person. Have a happy life, and take good care.

Your Friend Always,

Sophie
Tucker

Daneen

Well it's been 4 long years. you're really a nice person. Take care. be good, and I hope every thing goes good for you.

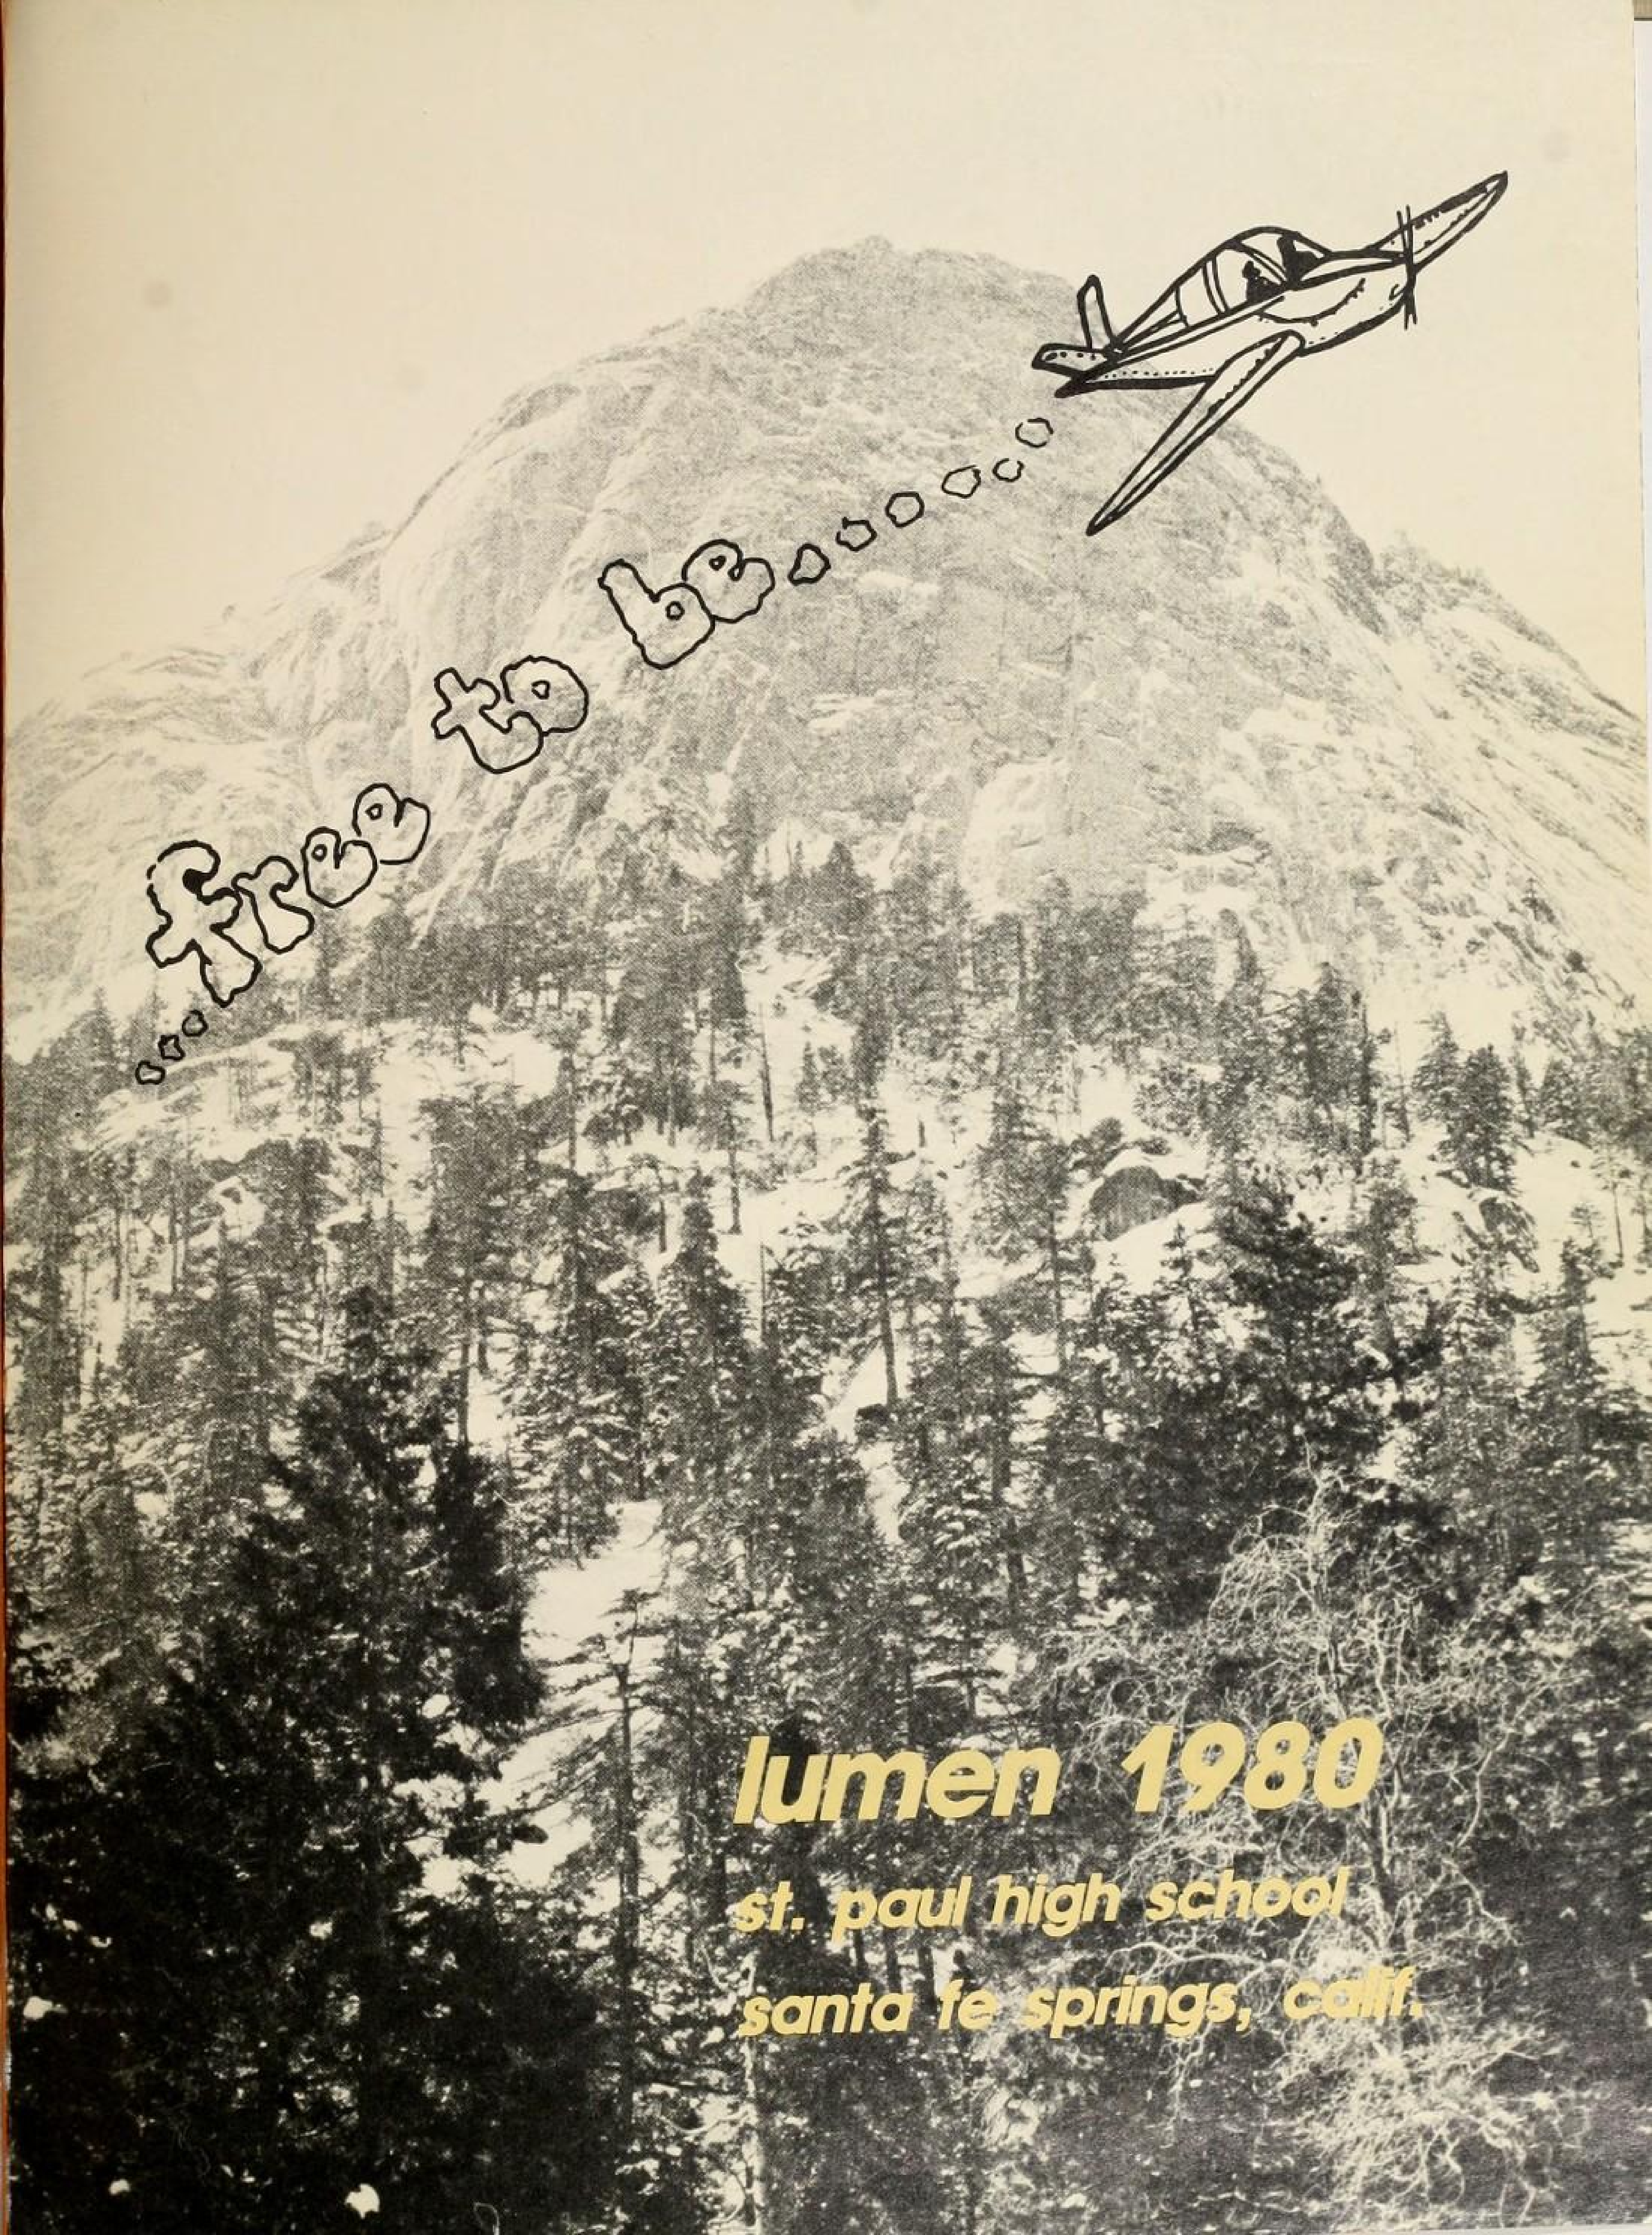

Linda [illegible]

Daneen,
To the girl that I take home because I don't want to see her walk home: the chauffeur rides were free because you're such a nice girl whose always on a diet. Stay off those diets and put a little meat on your body. Good luck with Pete & hope to see you at CSUF. Have fun in the sunny summer months, and we'll keep in touch through Annie.

friends,
chauffeur,
out-to-lunch taker,
Pizza man,
Football Game taker,
and so on.

Well, it's all coming to an end can you believe it. It's sad that we didn't get to know eachother better. Well I wish you the best of luck in all you do. Take care of yourself. maybe I'll see ya around. Bye.

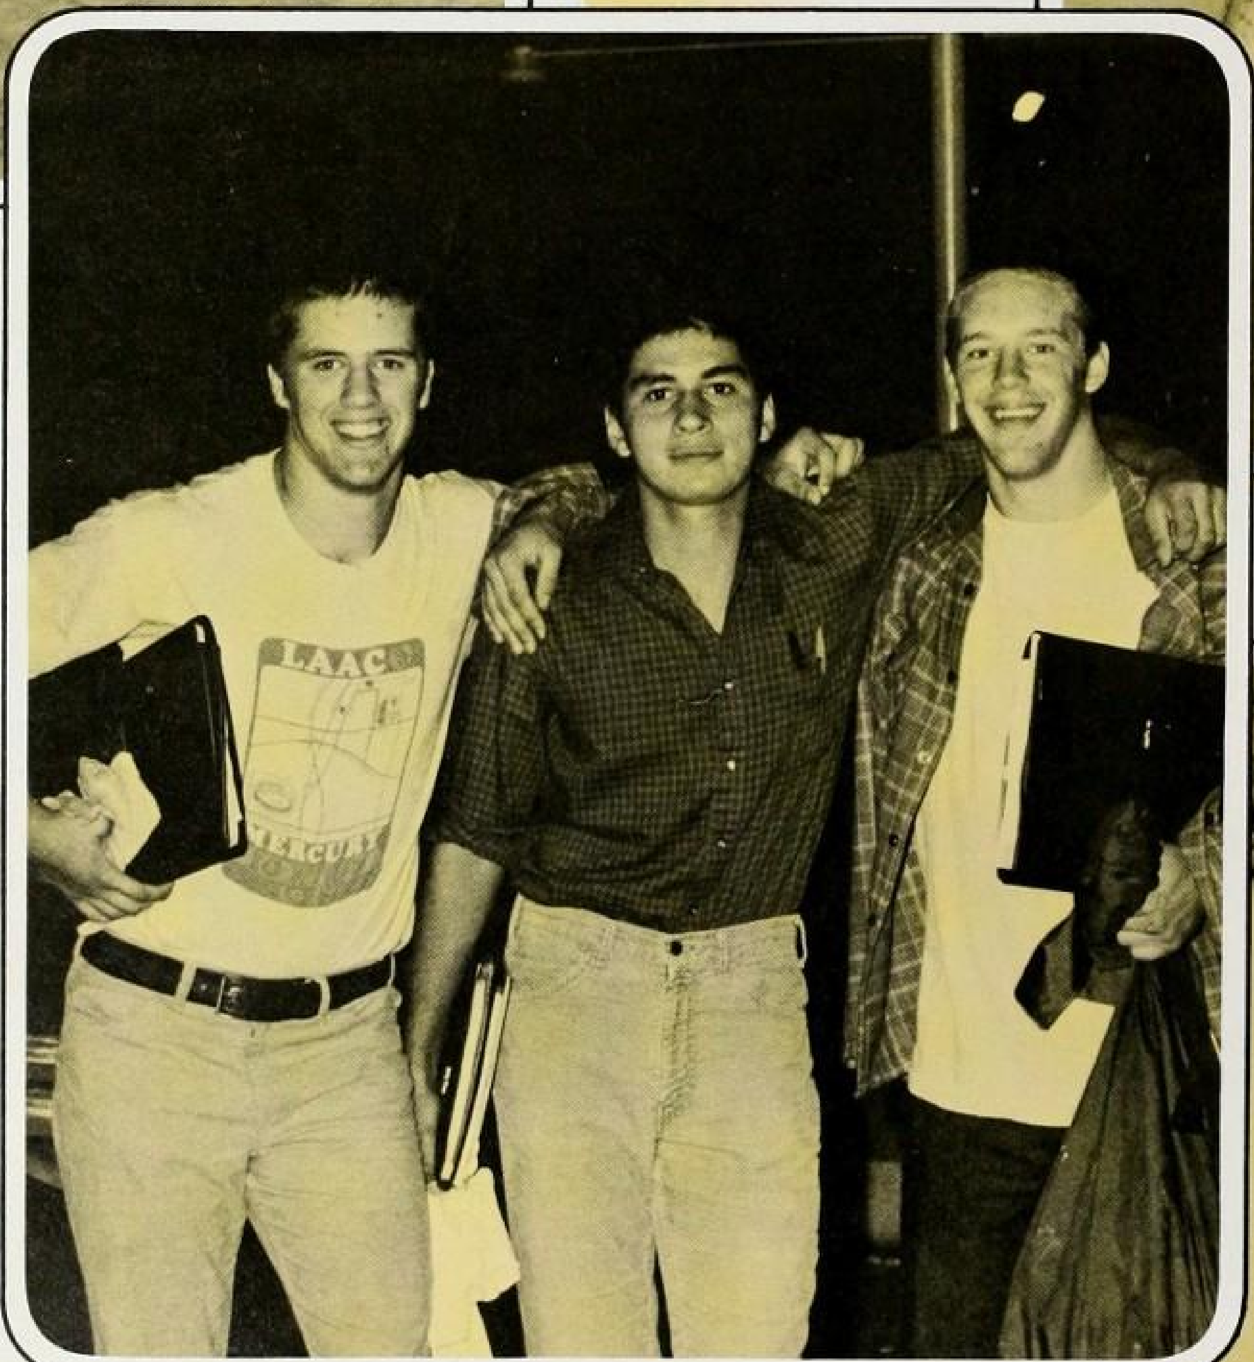

Love, #26

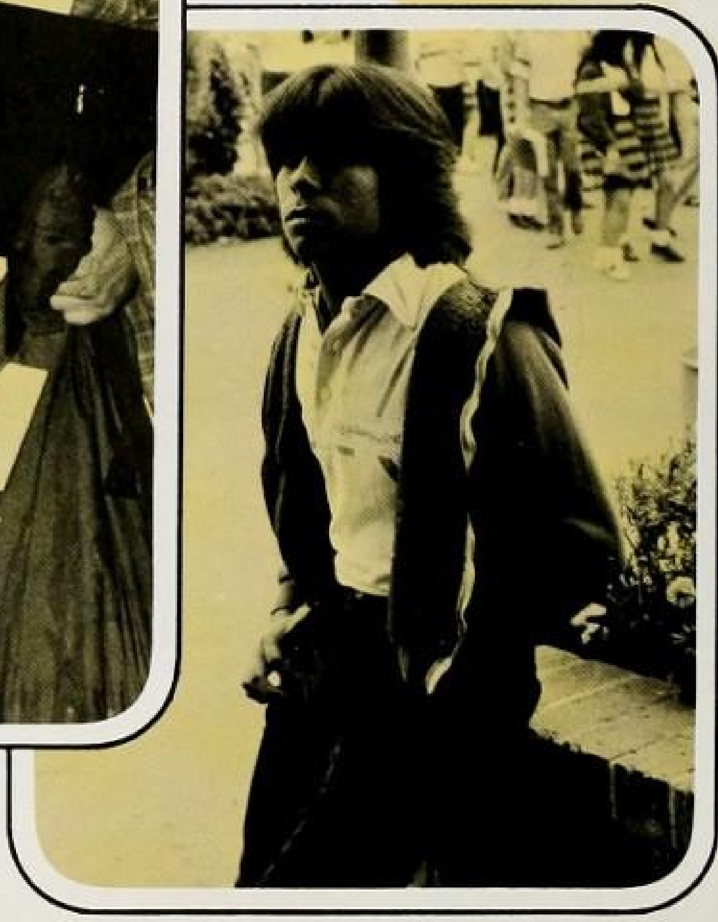

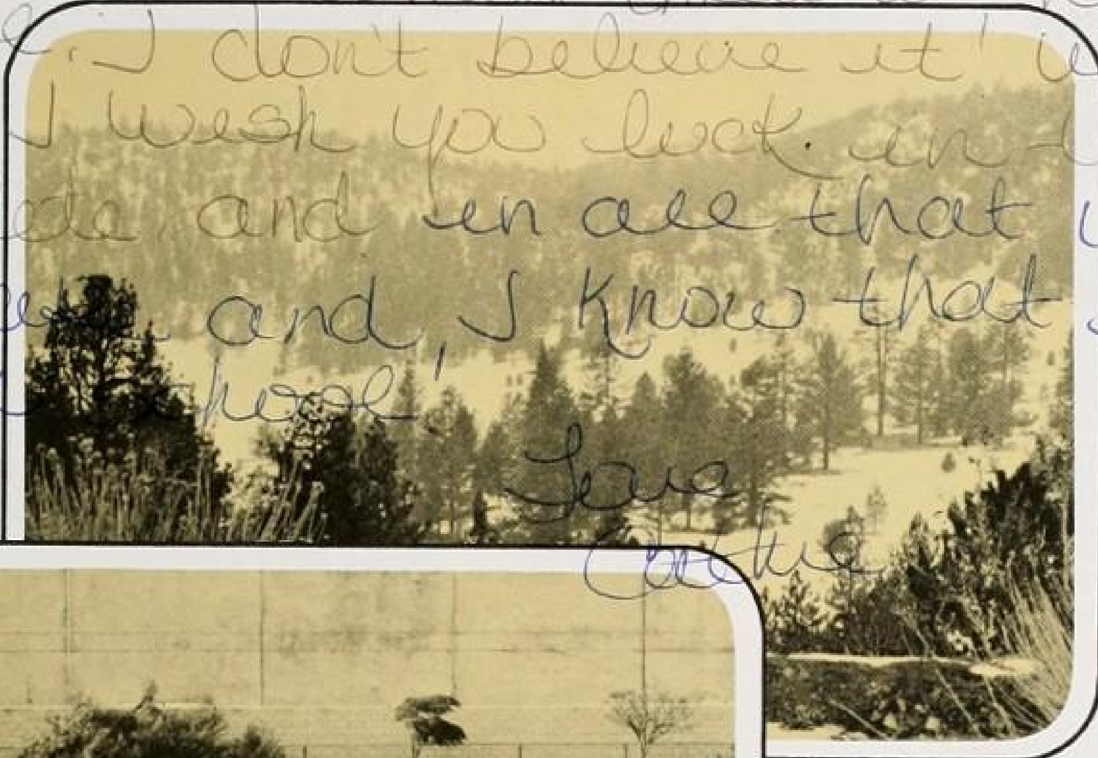

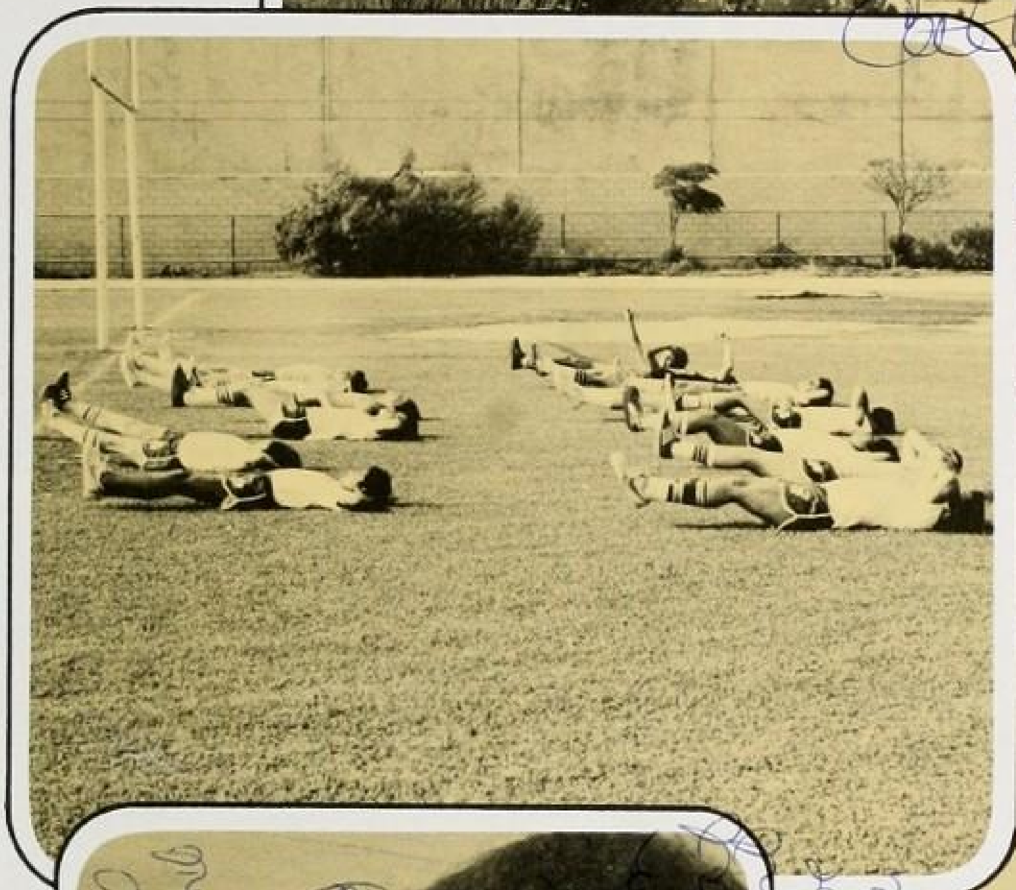

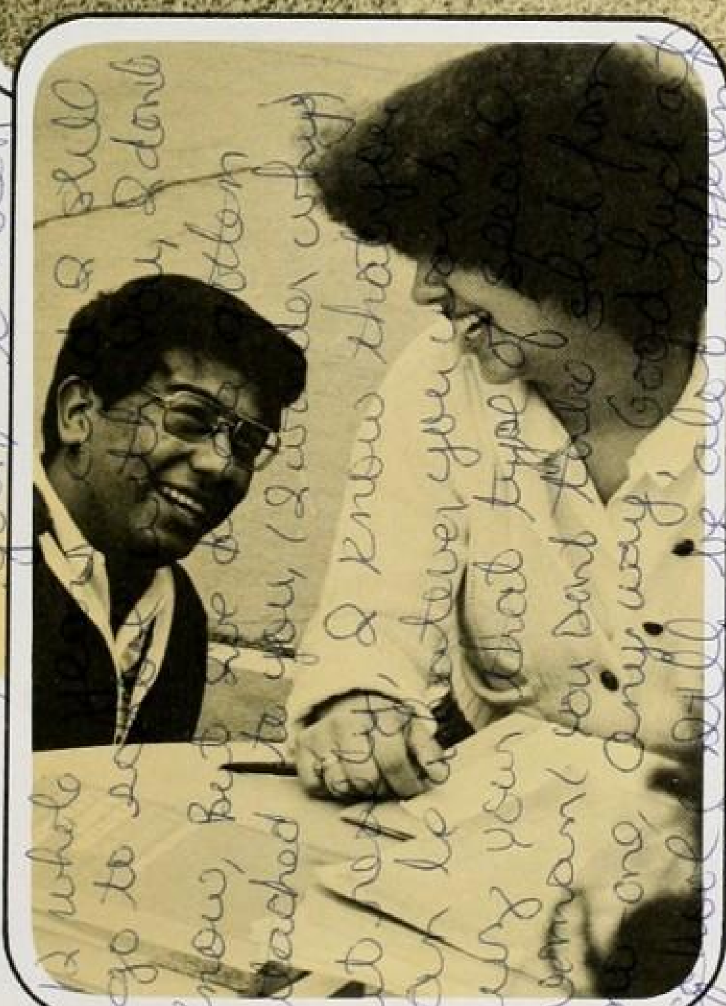

Daneen-
Well we are almost threw with thirteen years of school. I don't believe it! Well, I'm glad Daneen, I wish you luck in the future, with Pete and in all that you do! take care and, I know that I'll see ya after school!
Love
Cathy

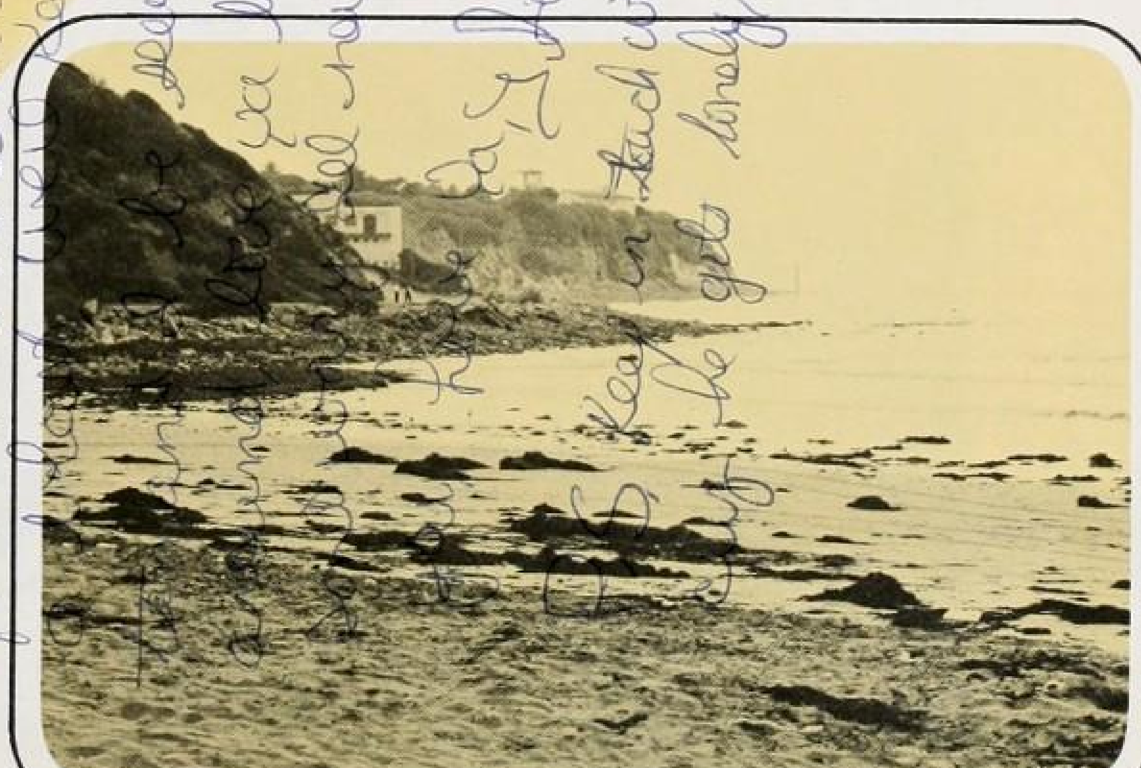

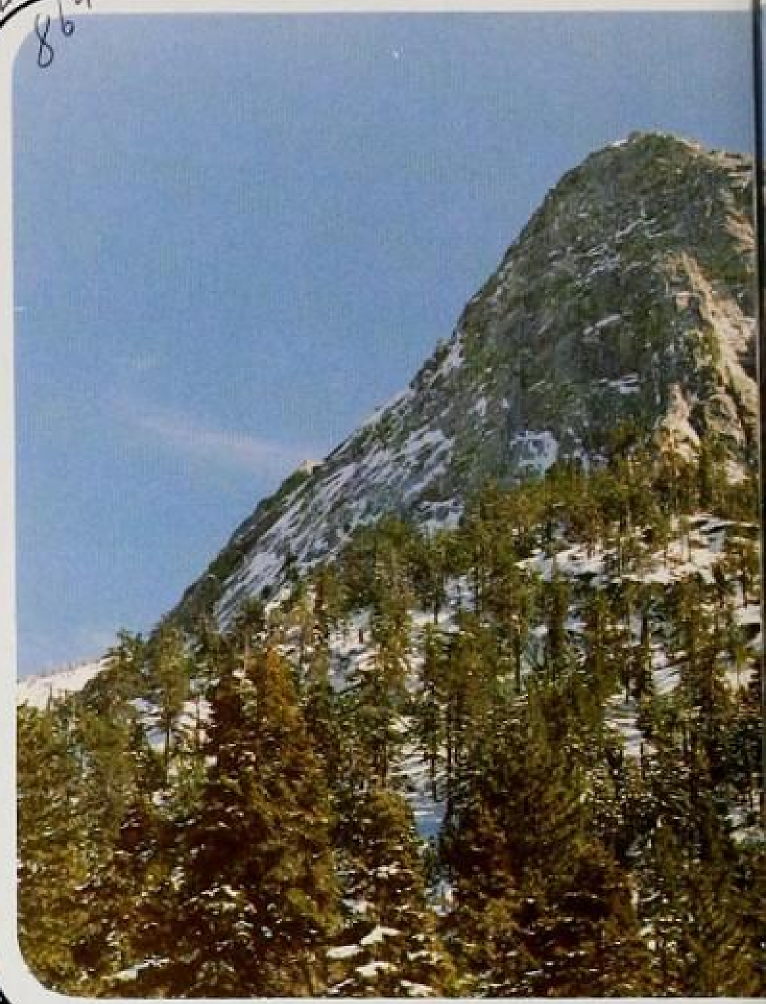

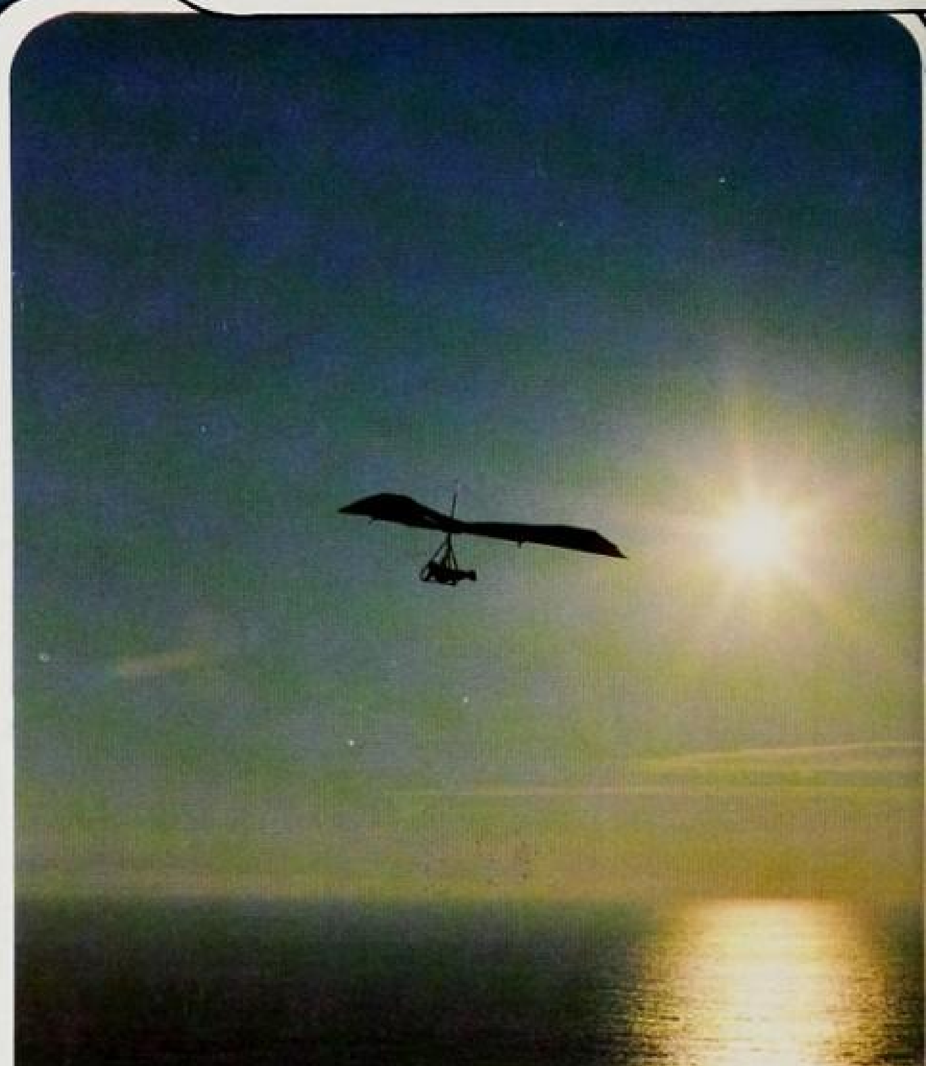

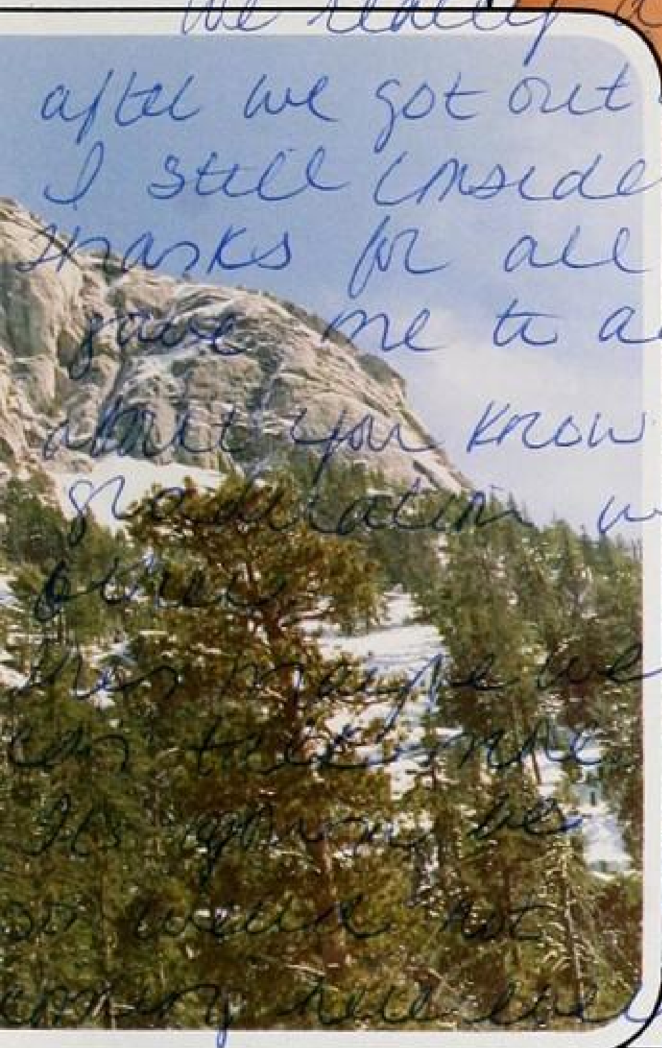

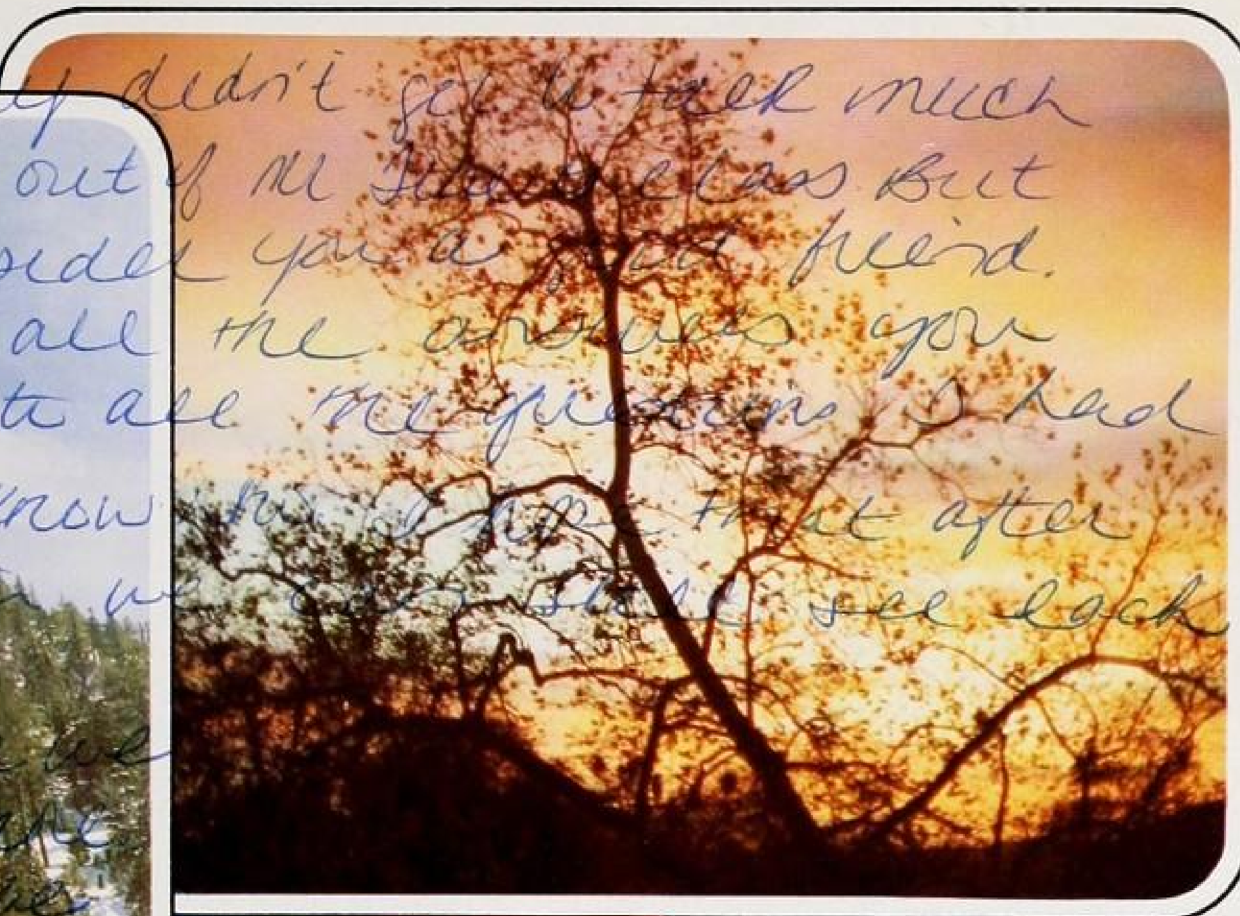

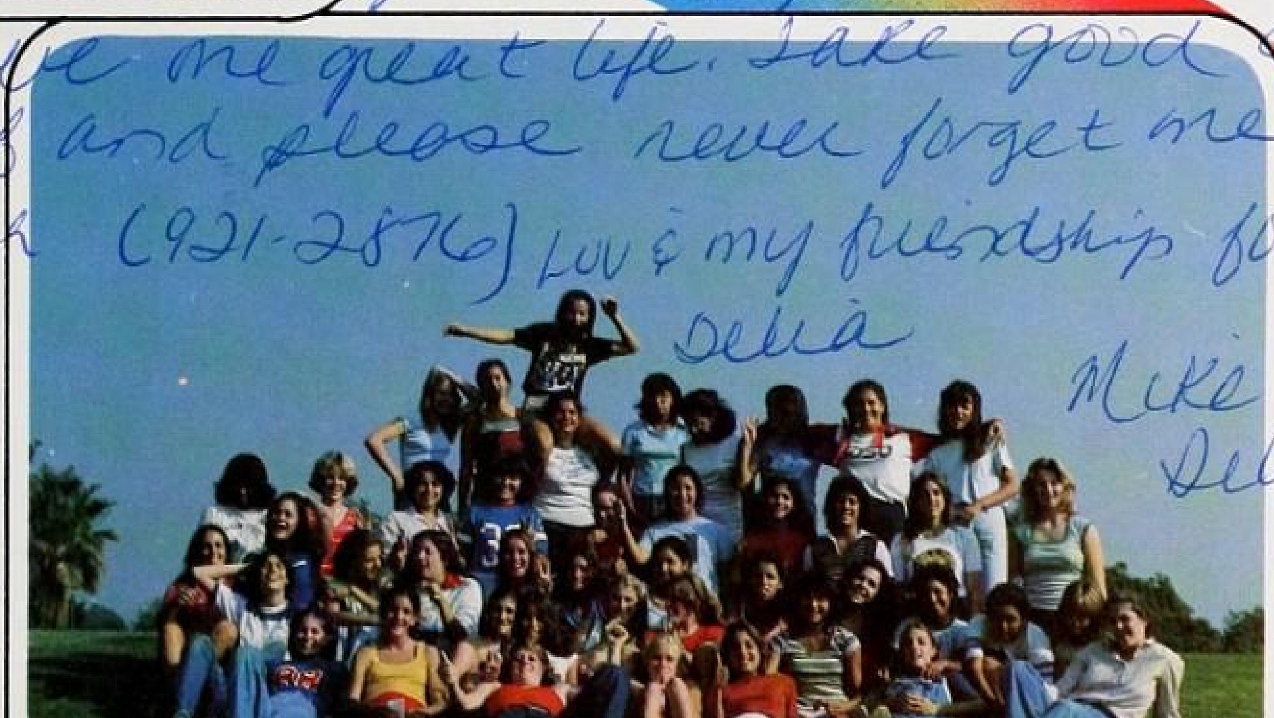

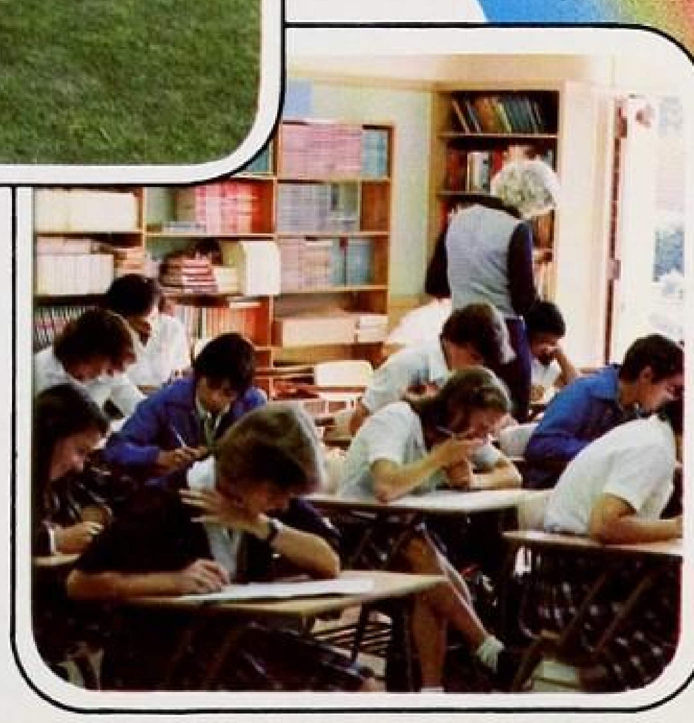

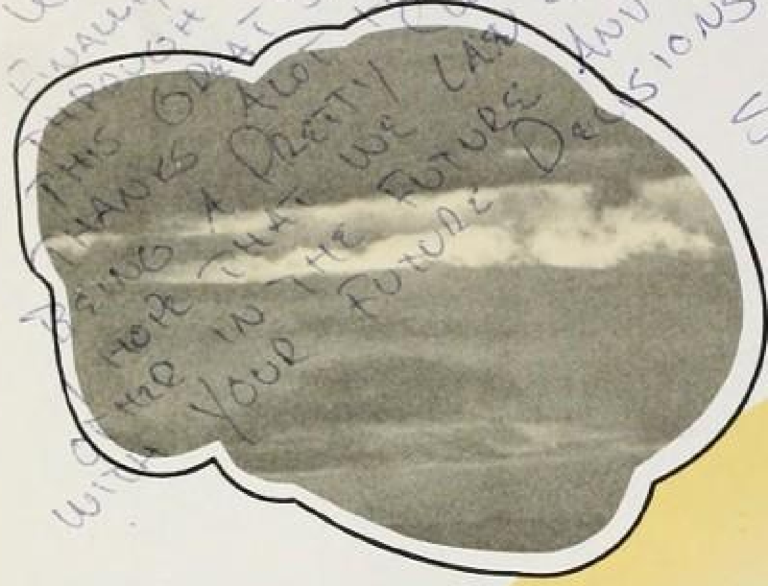

Darren,
We really didn't get to talk much after we got out of [illegible] class. But I still consider you a [illegible] friend. Thanks for all the answers you gave me to all the questions I had about [illegible] you know [illegible] I hope that after graduation we [illegible] see each other. [illegible] maybe we can [illegible] It's going to be [illegible] not [illegible] my dad anymore! Well I hope you have one great life. Take good care of yourself and please never forget me. Keep in touch (921-2876) Luv & my friendship forever!

Daneen,
I can't believe that we're actually finishing this year. I'm really glad that we were friends & we've been through alot. Remember that party in your garage. That was fun even though I kept dropping the chips. I hope that everything you ever want in life comes for you because life really has alot to offer. Take care of yourself & good luck in the future.

I am free
free to be
to sail upon the ocean
soar above the sea
to climb atop a mountain
gaze down upon the city
to walk, or run, or stroll
along a gentle stream
Yes, I am free
free to be . . .

You are free
free to be
to choose the love for you
accept the love from me
to erase the sad and lonely times
and know that friends are for keeps
to give away the needless thoughts
and find what true love means
Yes, you are free
free to be . . .

We are free
free to be
to go beyond the horizon
make true our wildest dreams
to set a course and follow through
to reach our destiny
we spread our wings and fly away
to see all that can be seen
Yes, we are free
free to be . . .

WHOO-AA
ST. PAUL HIGH
SENIORS
"80"

Father's Farewell

Dear Seniors of 1980,

Another year has flown. Another senior class makes ready for its graduation exercises. The principal writes his thoughts and feelings as the Class of 1980 prepares to take its leave.

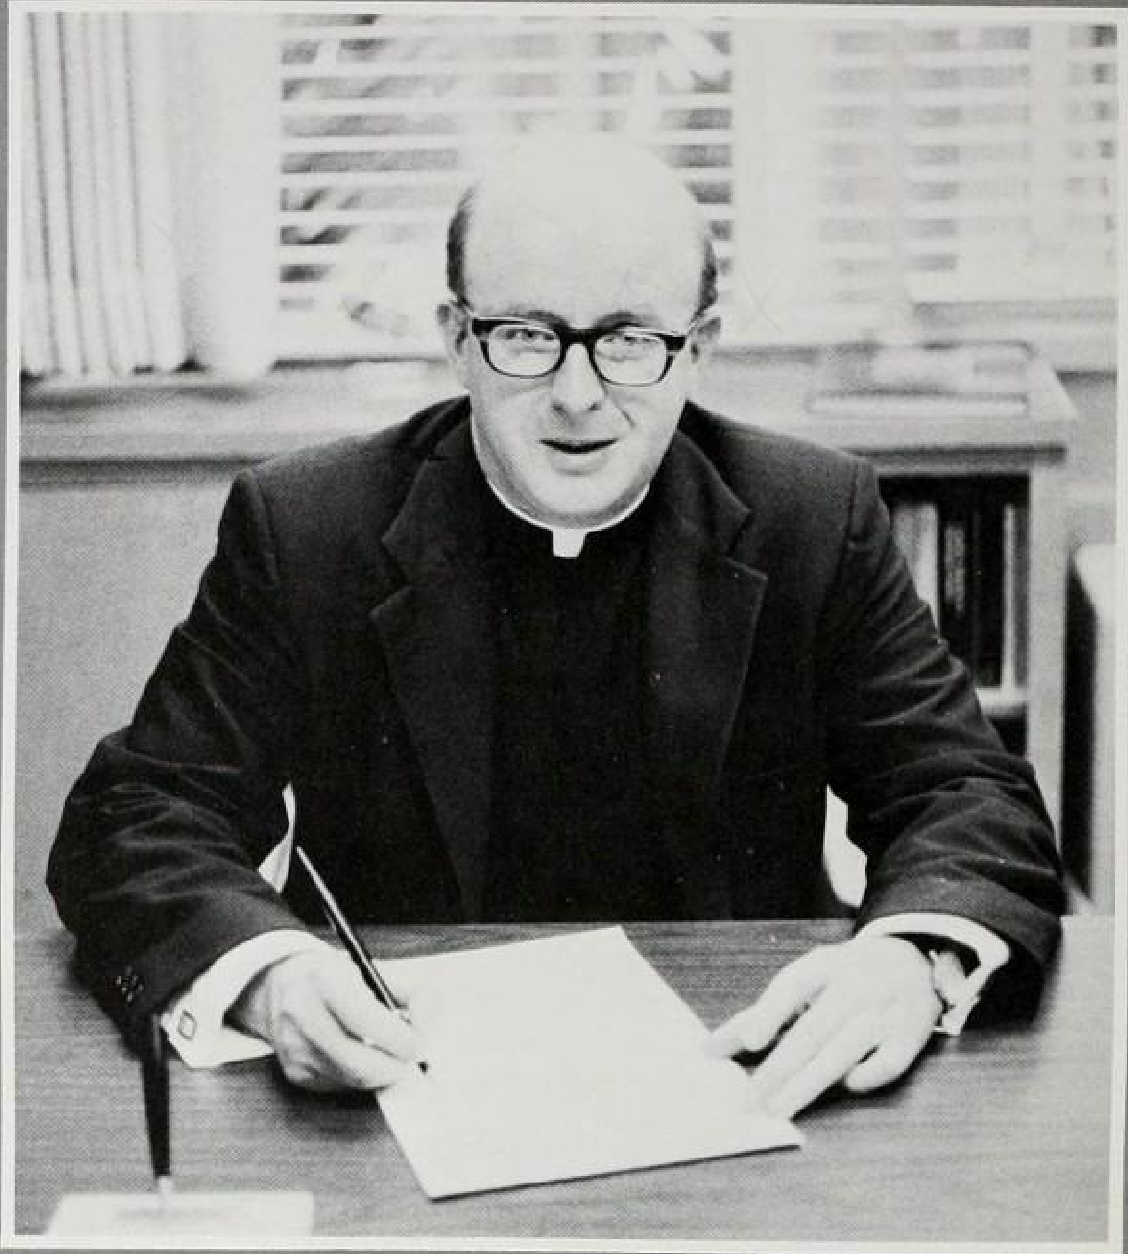

I will miss you Class of 1980. Four years ago, we arrived together at St. Paul's. I feel that I have come to know you better than any other class that has gone before you. With fascination, I have watched your steady growth to young adulthood. I have marvelled at your youthful exuberance and enthusiasm. I am grateful for the many ways you have contributed to the building of our family spirit at St. Paul High School.

From the bottom of my heart, I wish you well in the future. We are family at this school because we have a common Father who loves us with unspeakable love. I hope that you have come to know Him well and learned to entrust yourself to His care. In His arms you have nothing to fear. True success in life is knowing the warmth of His love. All else is loss.

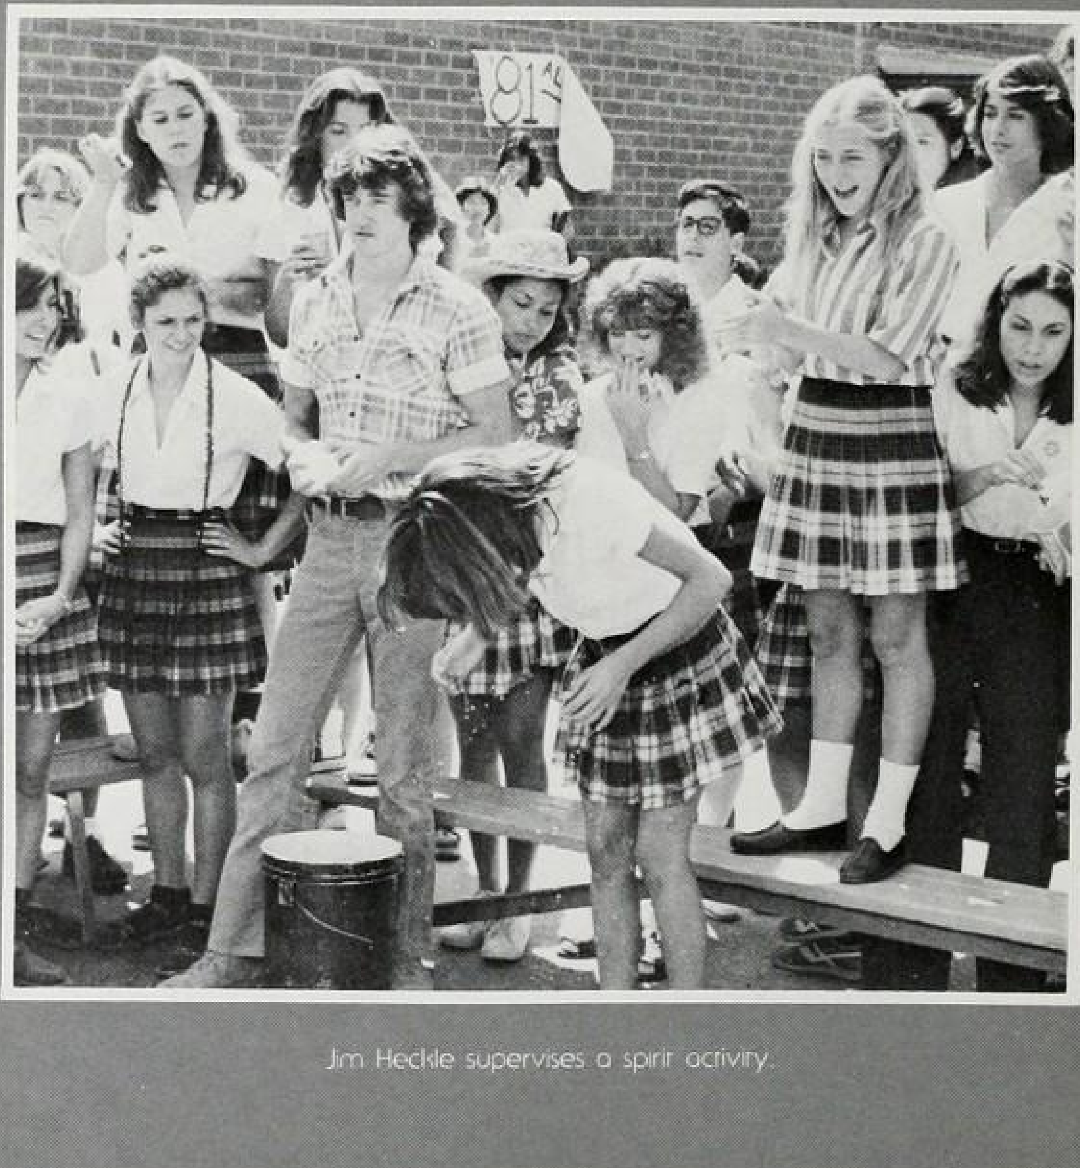

I delight in meeting our graduates. I love to hear what they are doing and to learn of their achievements in their chosen fields. Please feel welcome to return to your Alma Mater. Please remain concerned about its future growth and development. You may leave us but we do not forget you. Our hope is that you will not forget us.

May God bless you and keep you always,

Father Aidan M. Carroll
Principal

Seniors At Last!

The Senior class showed their enthusiasm once again by winning the spirit trophy for the fourth consecutive year. Among their many activities were the Big Sis-Little Sis picnic and the November Dance. The class of '80 also left a little remembrance of themselves by donating a spotlight so that the American Flag can be seen at night games. The school year would not have been the same without the class of 1980.

'81 - We're Only Here For One More Year

The Junior class, working with plenty of enthusiasm and determination, strived to make their mark in St. Paul history. A good amount of effort went into making the Homecoming rally a success. On Ring Day, the class of '81 took a step up the ladder in becoming upperclassmen. The year ended with the Juniors putting on an unforgettable Junior-Senior prom. With their unquenchable spirit, the class of '81 should prove to be something special in the year to come.

Junior Involvement

Ever ask yourself what the Junior class did this year? They did almost everything imaginable. Nothing was too small for the class of '81 as they made their presence most evident in the St. Paul community. Pep Squads, performing squads, band, clubs and sports were indulged in with great fervor. Each member of the Junior class could not help but feel emotion as they joined wholeheartedly in all the action on campus. No one could deny that the Junior class was an important part of St. Paul. With such hard work and determination, the class of '81 will make their last year a memorable one.

Ring Ceremony

Ring Day was a highpoint of the year for the Junior class. It was clear that they were now upperclassmen and the excitement of the whole occasion was evident on the face of each person as he came close to receiving his ring. After the ceremony, there was a great rush to get to that special 81st turn. It was a moment of happiness and closeness among all members of the Junior Class. Their new rings were a symbol of their importance at St. Paul. Ring Day will always remain a special memory in the minds of our Junior Class.

Sophomores Look Toward The Future

The Class of '82 once again proved to be full of spirit and excitement. As the members of the Sophomore Class Looked toward future years at St. Paul and beyond, they set goals for themselves that will be achieved by hard work and determination. Though they spent a lot of time studying, they never missed an opportunity to have fun. They soon became known for their exuberant participation at rallies, dances and football games, and for their spirit and positive outlook every day of the year. Class officers stood behind them all the way, working hard to plan activities and the Sadie Hawkins' Dance. They encountered many difficulties, but when they got through them, all their hard work was worth it. Their successful efforts made this year a special one for all.

Spirited Sophomores

The Class of '82 has been one of the most spirited sophomore classes in St. Paul history. Throughout the year, the sophomores have shown that they care about St. Paul by their faithful support of school activities. They participated enthusiastically in teams, clubs, games, dances and rallies. Sophomores also played a large part in the March for Hunger, the food and toy drives, choral groups, art classes, and plays. Their concern and interest in St. Paul High was evident through their involvement.

Sadie's Success

The theme of this year's Sadie Hawkins Dance was "When the Harvest Moon Shines. . ." The date of the dance was March 15, and the band was Southern Pacific. Sophomore officers worked very hard to plan a terrific dance, and everyone agreed that the evening was a big success.

Freshmen Ready To Learn

The Freshmen Class came to St. Paul determined to become part of the school family. They were willing to work their way in by surviving their orientation and getting involved with school activities such as Spirit Week and class elections. As always, they came from Catholic and public schools in the area, met new people and made new friends. Though this Freshmen Class was the largest ever accepted into St. Paul, they showed that they can work well together and may become one of the best classes St. Paul has ever had.

Deep in thought.

Freshmen Orientation

The orientation was a different experience for the class of '83. There were new students, teachers and classes, a whole new beginning. But this class was able to adjust to the changes. It didn't take them very long to learn the rules and the ways of the school and they soon became part of the St. Paul family. Before they could become full-fledged members, they had to complete an initiation. They had to recite the Alma Mater to twenty seniors and receive their signatures. After completing this assignment, the class of '83 became an accepted part of St. Paul High School.

Spirit Of Elections

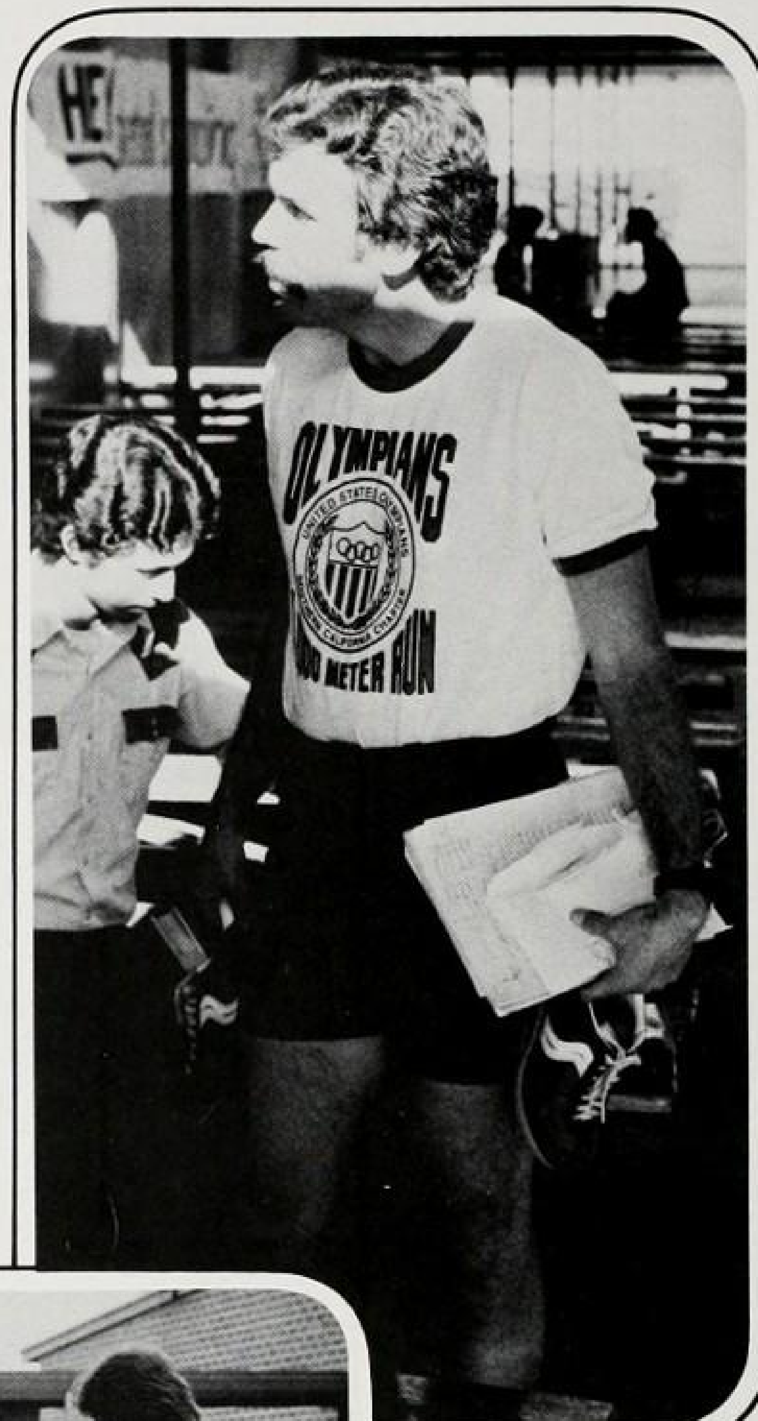

The Freshmen Class showed a spirited involvement in representing their class. They had a large number of people willing to put their efforts into making the Freshmen Class a working part of St. Paul High.

Congratulations to the new officers and all those who participated in the elections. Hopefully this kind of response and enthusiasm will continue throughout their years at St. Paul in both class and school elections.

Teachers And Friends

This year's faculty consisted of men and women working towards a common goal: to teach the students of St. Paul to the best of their abilities. They encouraged students to build lasting foundations to make their futures become realities. The faculty not only gave of themselves through teaching but also by moderating clubs, coaching sports, and tutoring students after school. Faculty members were our friends as well as our teachers.

Homecoming '79 "A Time For Us"

Reflection Of Perfection

This year's squad has proven that optimistic attitudes and total dedication create success. From the beginning, the cheerleaders have worked consistently and eagerly in various activities. Their main objective was to perform their best in competition, rallies and games. St. Paul Pride will always remain in the memories these girls will keep, and hopefully the Varsity Cheer Squad of 79-80 will remain in the memories of those who saw them. They will always be ...TOO HOT TO STOP!!!

Top row: Patti Walsh, Gina Di Molo, Jackie Felix, Bottom row: Julie Magdaleno, Cindy Hurtado, Jo Ann Schmitz, Andrea Heron, Alena Engle, Cathy Bustamante.

Buddies!!!

Varsity Cheerleaders show their spirit.

Rockin' To The Beat

This year the songleaders proved to be a main source of spirit and enthusiasm in the St. Paul community. They put in long hours of practice throughout the summer and the school year to perfect their skills and precision. They exhibited their great determination and talent in the many competitions, rallies, and games they participated in. The songleaders' effort to make the school a more lively community was evident throughout the year.

J.V. Cheer's Spirit Shines

The 79-80 J.V. Cheerleaders, led by Tricia Palma, worked hard over the summer and through this year to encourage enthusiasm among their classmates. Their pep and skill was displayed at rallies, games, and competitions. These girls learned to work together and became very close by the end of the year. They deserve alot of recognition for helping to bring spirit to St. Paul.

Twirling Flag Is Our Bag

The '79-'80 flagsters really showed the spirit they possessed. With six new members they truly displayed the effort needed to succeed at camp, games, and competitions. They practiced for many hours in the summer and through the year. Their hard work paid off when they were awarded two first place trophies, and one third place trophy from camp, and later placed in Arroyo, Competition.

They feel that this year has been a very good experience for them. The girls have become close friends and have shared many happy memories together which they shall always carry with them.

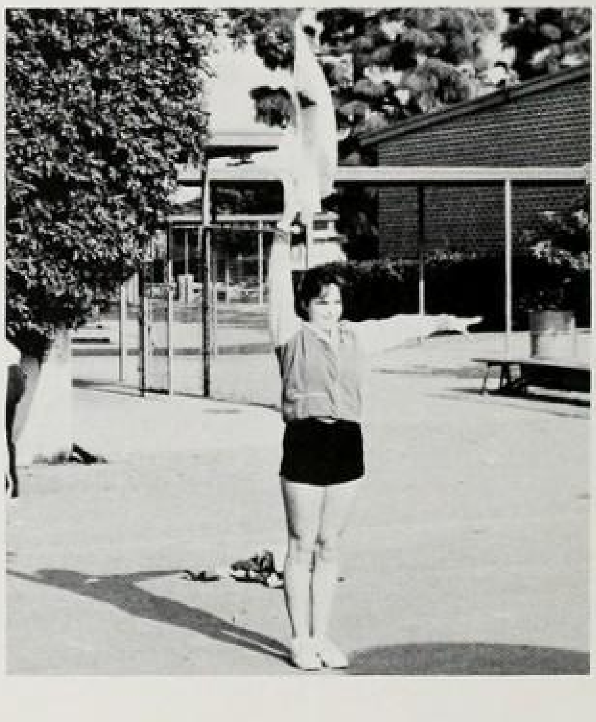

Bottom row: Lisa Mendoza, Lita Avila, Anne Licata, Terry Montejano, Top row: Laura Parra, Betty Saenz, Heliett Cantarero, Maureen Beal

Tall Flagsters Are Flying High

This year's tall flag squad consisted of all new members. During the summer they attended Hibbard's Camp and came back with the sweepstakes and third place trophies. At the beginning of the year they entered Arroyo Competition and marched off in first place. The tall flagsters main objective was to have fun and obtain many memorable experiences. They learned that unity, smiles and good attitudes helped them achieve their great success.

Majorettes Spin To Win

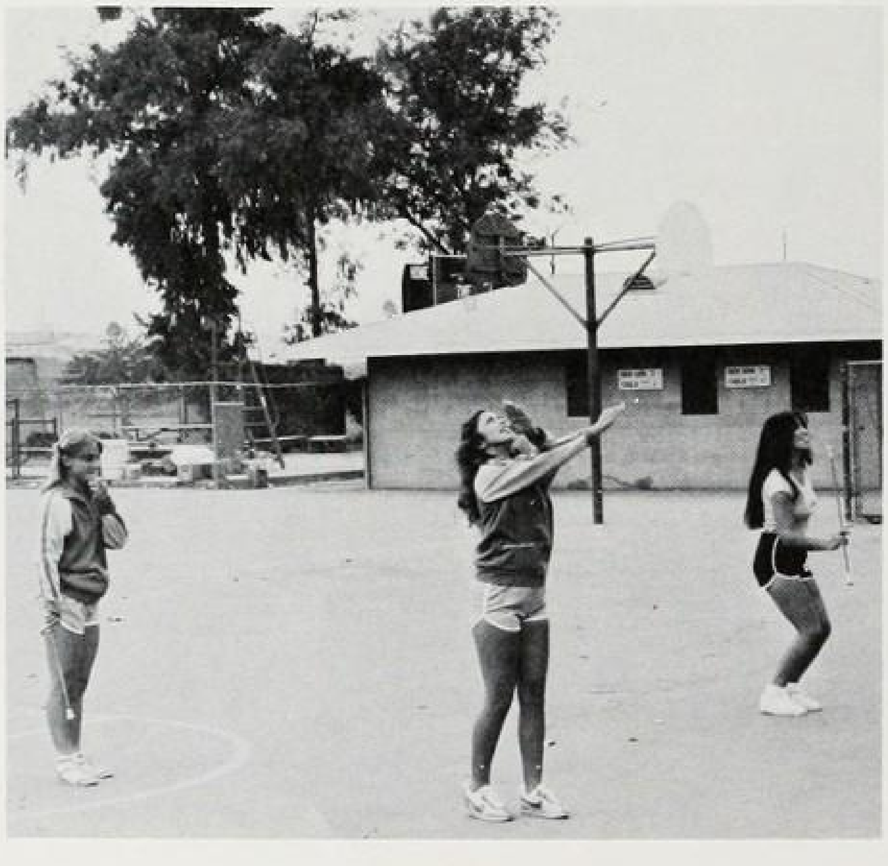

Singing around the campfire

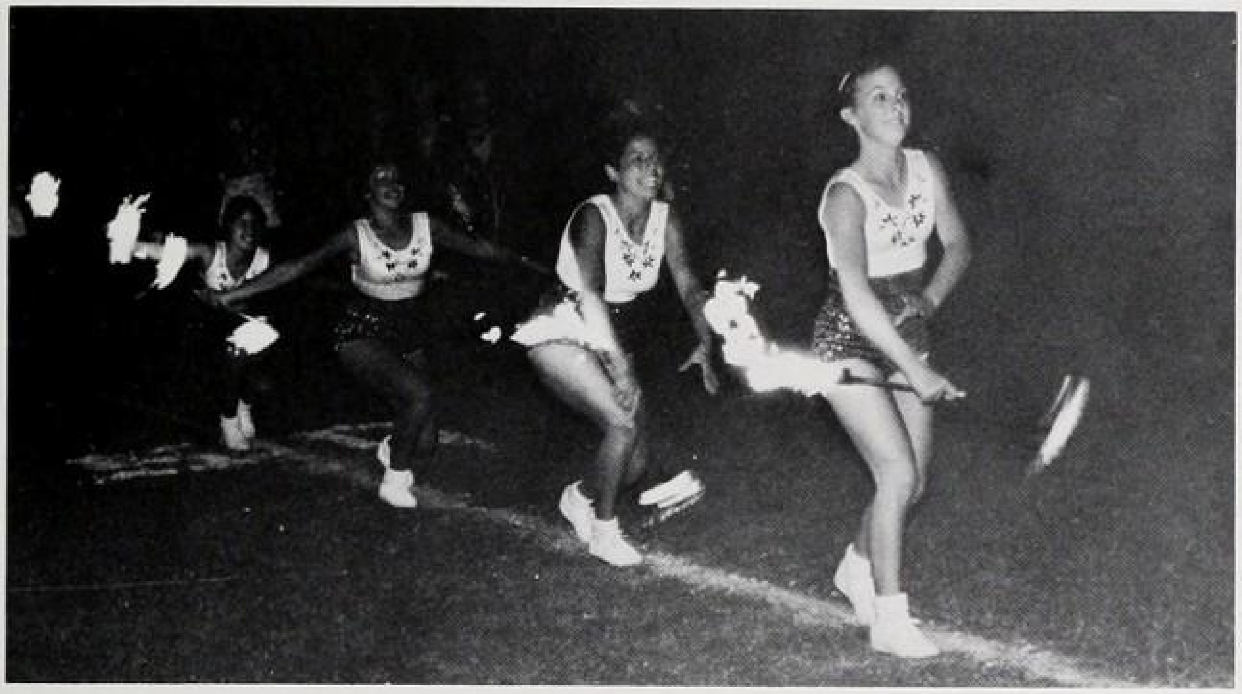

The majorette squad of 1979-80, under the leadership of Donna Guerrero, showed much enthusiasm and determination. Their hard work and long practice sessions paid off, for in the U.S.A. Competition they were awarded second place and from the Arroyo Competition they came home proudly displaying a third place trophy. One of the highlights of their year was the great job they did twirling their traditional fire batons at the Homecoming halftime. The girls agree that the higher you toss the baton the harder it hits, big exchanges are suicidal, and twirling fire is definitely hot!!

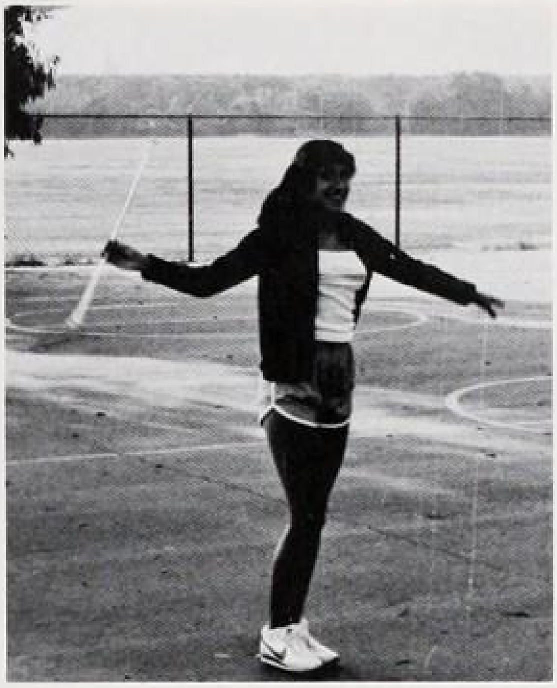

Bottom row: Julie Montejano, Jackie McKean,

We Can't Be Beat We Got The Beat

It was a year full of fond memories for the six girls on the dance team. Lead by Beth Smith, and assistants Gina Stagno and Sharon Flaim, the squad performed pre-game and halftime shows during football season. They also worked hard developing and perfecting routines at camp and for competitions. The variety of music that the dancers used enabled them to broaden their unique style. The girls will always remember the great times they shared and the friends they made.

It was a great year for the bands, thanks to Mr. Clark and Mr. Mooshigian for their direction and support. The Varsity Band captured the attention of spectators at football games and concerts. They spent many hours practicing and perfecting their songs and marching routines. Practice paid off, for their mobility on the field improved and they widened their spectrum of songs. The Intermediate and Cadet Bands improved tremendously and proved that they too have the motivation to excel in their musical endeavors.

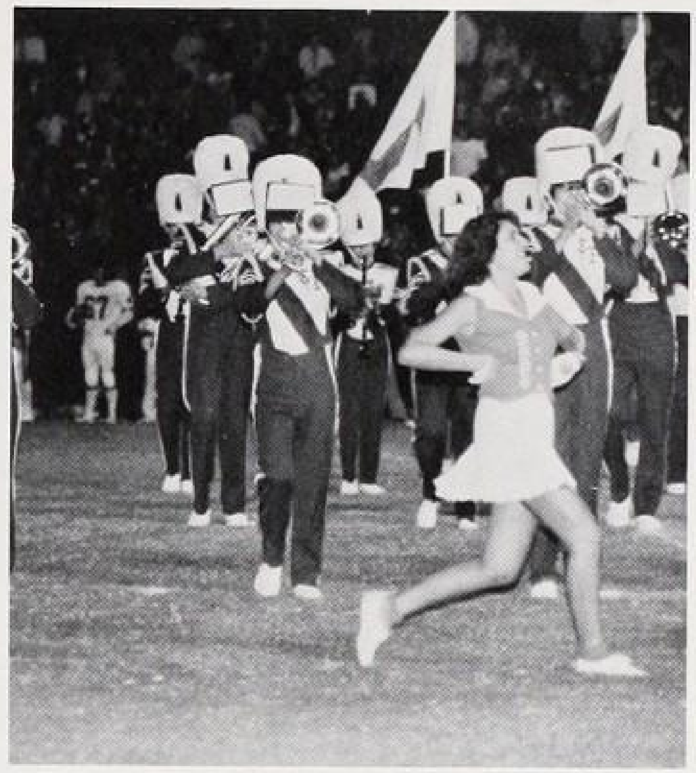

Intermediate Band: Deana Burbidge, Parris De Vine, Mark Dominguez, Jeanette Espinosa, Matthew Gleason, Maria Higuera, Lawrence Lopez, Annette Mac Donald, Maricela Mendez, Michael Pellkofer, John Perry, Richard Ramirez.

St. Paul Choral Groups Sing Out

Tarsus

A group that used their talents in a constructive way this year was Tarsus. Tarsus members projected their Christian feelings and attitudes through song. Moderated by Mr. Steve Grundy and headed by president, Sharon Flaim, the group of 18 members sang at all campus masses, the dedication mass for CCD teachers at St. Mary's, and several weddings. They went on a retreat in January to learn new music, and simply reflect on what they felt their music should convey. They are truly a group of people who enjoy praising God with the gift of song.

Back row: Greg Gallegos, Eric Rosas, Julie Dahnke, Patty Doublet, Rose Ontiveros, Kathy Sullivan, Joan Rodarte, Sharon Flaim; front row: Byron Schatz, Bill Barrett, Angela Crider, Gloria Aguirre, Valerie Newman, Genevieve Hernandez, Judeen Haworth.

St. Paul Singers

St. Paul Singers, consisting of 35 members, had the largest group in its history. It was a mixed choir made up of intermediate to advanced voices. They performed excellently at the Christmas and Spring Concerts held at the La Mirada Civic Theater, Mount St. Mary's College Workshop, choral festivals, and the La Mirada Mall. Led by their new director, Mr. Grundy, St. Paul Singers showed great talent and promises to bring recognition to our fast-growing choral department.

Front row: Fran Xavier, Terri Jaramillo, Denise Rodriguez, Genevieve Hernandez, Yvette Cormier, Tracy Talkington, Liz Hiatt, Julie Montano, Lisa Guppy, Laura Zona, Kathy Kautz, Elaine Michaelowski, Lorraine Hernandez; middle row: Laura Lorona, Robin Sibbing, Kelly Roberts, Paula Wood, Maria Sanchez, Sue Gray, Karin Maldonado, Rose Ontiveros, Julie Chavez, Carie Dunn, Maureen Dougherty, Claire Truxaw, Geri Belmontez; top row: Sterling Putnam, Tony Arciniega, Tony Ledesma, John Rooks, Larry Frabotta, John Rodriguez, Mario Irizarry, Sam Sotomayor, Joe Sowa, Xavier Espino, Manuel Juarez, Joe Thompson.

Top row: James Del Castillo, Mike Rossi, Tim Younger, James McGovern, Mike Sorosky, Todd Hifka, Robert Mota, Brian Clements, Angel Martinez, Todd Hays, Matt Belland, John Volger, Gilbert Villa, Ken Zona; bottom row: James Crider, Ralph Quintana, James Gray, Anthony Briones, Robert Rooks, Bob Garcia, Mike Ontiveros, Scott Wolf, Pete Sayeski

Swordsmen Chorale

Swordsmen Chorale hit the high notes at a variety of places. Singing at the La Mirada Mall, the Christmas Concert, the Spring Concert, and Mt. St. Mary's College Workshop provided good experience for the boys, many of whom showed great promise. On a grand scale, the singers would rate a definite "10" with an extra "10" for spirit!

Les Chanteuses

Les Chanteuses showed that lots of hard work and practice can really pay off. This select group was composed of thirteen talented girls. They were an advanced group who sang from a wide range of songs. They performed along with the other groups at the La Mirada Mall, The Christmas and Spring Concerts, festivals and Mt. St. Mary's College Workshop. These girls, working together, proved to be a melodious group.

Left to right: Felice Villasenor, Julie Dahnke, Armida Price, Virginia Chervenak, Patty Doubler, Rose Ontiveros, Joan Rodarte, Gloria Aguirre, Liz Hamilton, Paula Alvarez, Carol Secovitch, Sharon Flaim, Judeen Haworth.

Troubadours

Troubadours, the beginning girl's chorus, was a major part of the choral program at St. Paul. They entertained the audiences at the Christmas and Spring Concerts, Mt. St. Mary's College Workshop, choral festivals, and the La Mirada Mall. They were a group of talented singers who hopefully will continue to sing at St. Paul so that the superior quality of music that exists now will continue in the future.

A.S.B. Comes Through Again

Although most people don't realize it, A.S.B. was the backbone in organizing most of the activities that occurred at St. Paul. Through the guidance of Miss Oswald, officers worked towards school improvement. They held a fund raising dinner in the summer and sponsored a hypnotist show and a dance-a-thon during the school year. The money raised from these activities went to the school. The A.S.B. officers put on the September Dance and, with the help of the other class officers, organized Homecoming. Kitty Blumberg, David Telles, and other representatives from sports and activities were very helpful in carrying out many A.S.B. duties during the year. A.S.B. was responsible for a successful blood drive and talent show and encouraged communication among the students, faculty, and administration of S.P.H.S.

Two-Edged Sword Speaks Out

Students prepare newspaper for distribution.

The Two-Edged Sword was a product of Miss Kearney's newspaper class and a variety of other enthusiastic St. Paul students. The staff's main goal was to keep students informed of all the major school activities. The staff did their best to produce a paper that was full of fun as well as interesting news.

Drama Club Has Playful Year

A scene from the play "Blythe Spirit"

Students act their best

The Drama Club gained ground in leaps and bounds this year under the direction of Mr. Putnam. Their first production, "Blythe Spirit", was held at Rio Hondo's Wray Theater. This spectacular production was followed by a department fund raiser. Besides these entertaining events they also helped with the selling of refreshments at football games and dances as well as selling Gobble Grams at Thanksgiving. Even though the Drama Club has only been in existence for its' third year, it has proven itself to be a competent and energetic group of individuals.

Lumen

We, the members of Lumen staff
Would like to tell to you
A little story about ourselves
And what it is we do.

Writing, cropping, bleeding,
Each day becomes a chore
Sometimes the book is interesting
Sometimes it is a bore.

The ads, the clubs, the classes
Patrons, faculty, sports
Layouts, captions, pictures
Ideas of every sort.

The names must all be spelled right
Each word must be a gem
One tiny, little slip-up
And we do it all again.

The last bell rings at 2:14
Our day has just begun
Deadlines to meet, appointments to
keep
You can't imagine the fun.

The final day has come and gone
The books are all passed out
But where's our faithful Lumen staff?
Not one of them lurks about.

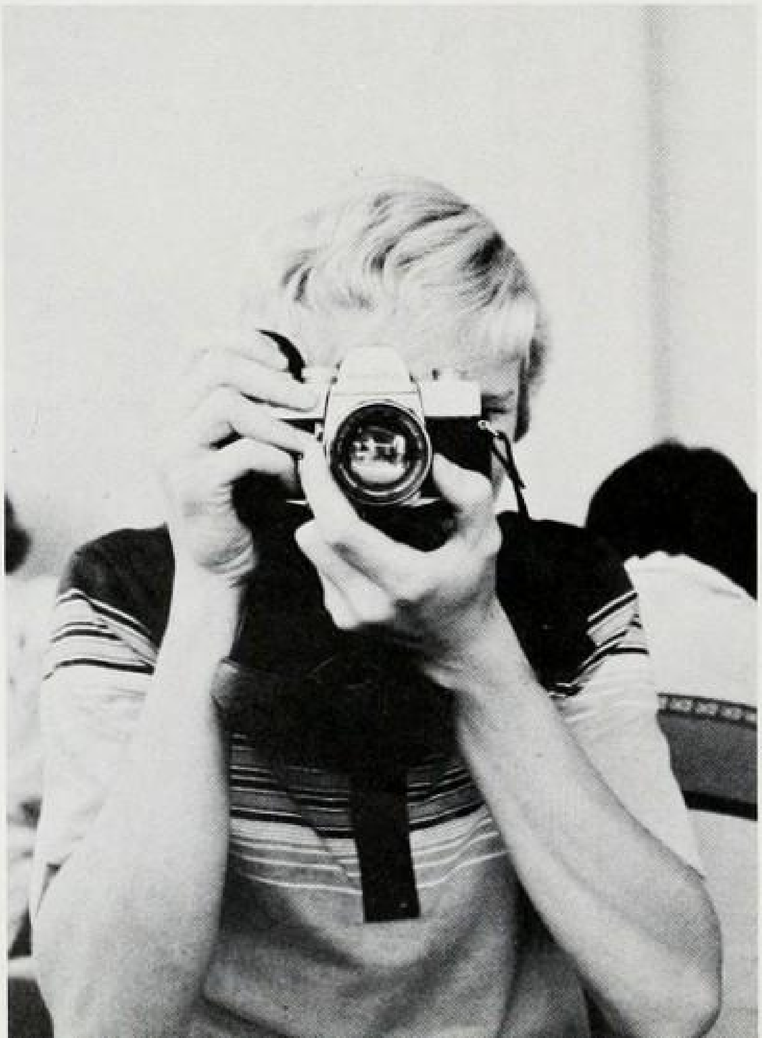

You'll find us in the yearbook room
Relaxing one by one
We don't want to see another book
That's all 'til '81.

Parents And Boosters Have A Great Year

Our parents played a very big part in many of the activities that went on at St. Paul.

The Booster Club raised money for school sports which enabled us to have the fantastic sports programs we enjoyed. They also took tickets, directed traffic and kept people off the field at the football games. They met every Tues. night to watch and discuss the football films.

The Parents Club was also an important part of St. Paul activities. They raised money for the school, sponsored dances, such as the Get Acquainted Dance, helped organize the Fall raffle, and played a major part in encouraging parents to get involved in St. Paul activities.

The ten members of the Library Guild and the two volunteers worked before school, after school, and during the day to keep the library organized and running smoothly. They helped shelve books, process magazines, clean and assist Mrs. Fleming and Mrs. Getz.

The members made time in their busy schedules to have some fun with their yearly Christmas Party, Faculty Tea, and their annual farewell party for the Senior members. They also planned to have fund raising activities for new records and library materials.

The Secretary's Club, moderated by Miss Oswald and Mrs. Armstrong, worked very hard this year raising money to buy new equipment for the Business Department. Funds were raised by participating in many activities such as bake sales, Valentine grams, and the Father-Daughter Dance. During the holidays they sang Christmas carols at convalescent homes and supported the Food Drive. The members also attended field trips to different businesses to see how offices function. This made them aware of what their duties as secretaries could be in the future.

Chess/Backgammon Club Makes Better Moves

This year's Chess and Backgammon Club, moderated by Mrs. Atkinson, expanded the members' knowledge of the games by holding a school tournament. They also succeeded in holding an awards banquet at the end of the year.

The club enabled the members to learn how to play effectively and have a good time. They met once a week which gave them an opportunity to play regularly. The club hoped to grow so that tournaments could be played between different schools.

French Club Ready To Take-off

The French Club, moderated by Mrs. Melonuk, was very busy this year. They held fund raisers and participated in school activities to raise enough money for their trip to France in 1981. Meetings were held twice a month enabling members to practice their French and learn more about the French culture. They also held an annual dinner at a French restaurant in the spring, sponsored a service project during Christmas time and presented the library with new books. With its' determined and enterprising members, the club will surely see its' future goals become realities.

An Energetic Spanish Club

The Spanish Club, moderated by Sister Therese Marie, had a busy year. Besides informing others of the Hispanic culture and serving the Hispanic community, they helped the Foreign Language Department a great deal. The members sponsored a clothes drive and sold See's suckers. They donated the money to help purchase a color video camera for the Foreign Language Department.

Sociedad Honoraria Hispánica

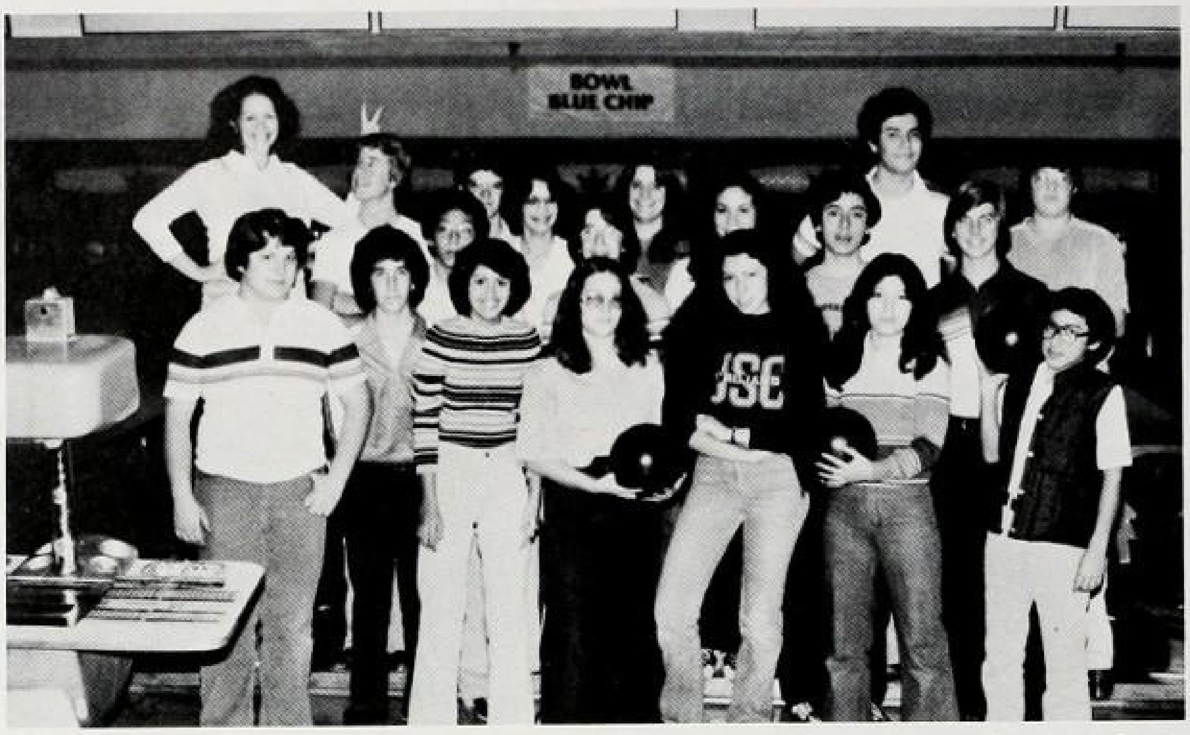

The purpose of the Spanish Honor Society is to give recognition to those with excellence in Spanish. These students assist the Foreign Language Department in various ways and also enlighten others' understanding of the Spanish culture.

"This one better be a strike!"

The Bowling Club, moderated by Mrs. Paredes, had a great year. Every Tuesday the members met to compete against each other while trying to improve their bowling techniques and learning to keep score. Members received trophies from the bowling alley for honors, participation, and individual skills. By the end of the year, members of the Bowling Club had improved their averages and perfected their skills.

Backpacking Club Hits The Trails

One of the main purposes of the Backpacking Club was to learn to appreciate and enjoy the outdoors. Moderated by Mr. Guarino, this club went hiking and backpacking in areas all over California: Lytle Creek, Chantry Flats and the San Gabriel Mountains. The backpackers were also urged to join in the March for Hunger, the near impossible 26 mile walk. Because of its outgoing members, this was one of the most exciting clubs at St. Paul.

NHS/CSF

The purpose of NHS/CSF is to get the students involved in service within the school community and to create enthusiasm for scholarship. The members of these two honor societies must have a high grade point average, thus maintaining the high standard of education at St. Paul. The members of these two groups, under the direction of Sister Ruth, participated in many activities such as CSF Night at Disneyland, parents' Back to School Night, and Eighth Grade Visitors' Day. NHS participated in a Quiz Bowl at California High, for the first time this year. An Induction Ceremony was also held in honor of the NHS/CSF members.

This Club Raises A Racket

Sheer enjoyment is what this year's Racquetball Club was all about. The Club, moderated by Mrs. MacCracken and Mrs. Remme established an understanding of the game and members kept themselves physically fit. Besides playing racquetball the club visited a convalescent home over the holidays, held fund raisers, and participated in interclub tournaments. Because of the increased popularity of this sport, the Racquetball Club will have an encouraging future!

Surf's Up At St. Paul

Not since Jan and Dean and the Beach Boys has there been a club like this. Headed by Miss Peterson and Ms. Ramshaw, the twenty-five members hit the surf at Oceanside and San Onofre to catch the perfect curl, not to mention the perfect tan. Besides kicking off the lip, they showed outrageous surfing flicks and went on field trips to the hottest surfing spots in Southern California. Surfing is one of the most exciting sports around and the Surfing Club is definitely one of the most exciting clubs on campus!!!

Swordsmen Work Together To Complete A Successful Season

The '79 Swordsmen leave behind them a memory of a season that will never be forgotten. Rather than remembering the team only because they failed to make the CIF finals, let's take a glance at the season to see the many obstacles they overcame to complete a successful season.

The Swordsmen outlook for the '79 season was somewhat bleak as graduation took 18 starters from the team. Despite the losses, optimism was high and many felt things could be promising if the coaching staff could develop the Junior and Sophomore candidates in time for League competition. However, difficulties arose during the pre-season workouts as the Swordsmen lost the services of two important players. Unable to play temporarily were all Angelus League fullback returner Paul Lopez, who was expected to complete a 1000 yard season, and two way lineman Sam Gatfield, the team's most physical player. Swordsmen confidence was regained as the team became accustomed to quarterback Chris Bryeans, and the entire offense worked together to perfect the plays.

The season started with a game against first time opponent Santa Ana Valley, and the Swordsmen responded with a narrow triumph of 10-7 over the Falcons. Next came the traditional pre-season game with long time rival El Rancho, a 21 point shutout. As a result of defensive back Tim Crawley's two interceptions the final plays of the game saw the Swordsmen complete two touchdowns in less than two minutes. Following this was probably the biggest game of the '79 prep season in Southern California. St. Paul, #2 ranked, vs. Banning, #1 ranked in the CIF standings. While the crowd may have been in shock after the Pilots returned the opening kickoff 95 yards for a touchdown, the Swordsmen were not. They came back with a strong defense that did not allow the Pilots past the St. Paul 34 yard line. Swordsmen emerged victorious with a fantastic win of 17-7. A first time contest with Burroughs proved a bad night for the Big Blue and saw the Indians score the most points on St. Paul in 110 games as we lost 12-27. The game against Santa Fe erased the memory of the last week when underclassmen Jose Arocho, Mike Franco, and Mike Estrada, completing over 450 yards of offense, led the Swordsmen in defeating the Chiefs 31-0. The successful pre-season gave the Swordsmen the confidence needed to plunge into League play.

Angelus League season did not begin on such a positive note. In the game against Servite the Swordsmen's poor execution and turnovers were more prominent than the hard drive generated in the final quarter, giving the Friars a win of 21-6. The following week crowds saw the mighty Big Blue grinding out a 13-7 victory over Bishop Montgomery. Once again it was the Swordsmen's turn to cause an upset, as now 9th ranked St. Paul overwhelmed 4th ranked Mater Dei 35-14. Outstanding performances by Chris Bryeans (14 of 20 for 205), Paul Lopez (four touchdowns), and the entire defense, led by Paul Viele, highlighted an overall inspired Swordsmen performance. Homecoming game proved to be an enthusiastic win for the high-flying Swordsmen as the Pius X Warriors played St. Paul for the last time and lost their only chance to ever beat the St. Paul Varsity Football Team. Whittier Daily News wrote, "Paul Viole fielded a fourth-quarter kickoff and exploded 90 yards to quell a Pius X uprising and power St. Paul to a 24-14 victory . . ." Next up was the game against archrival Bishop Amat. Despite the grim beginning, the second half saw the Swordsmen blasting deep into the opponent's territory with Aaron Charbonnet completing three interceptions and Mike Franco returning a punt 50 yards for a touchdown. This clinched a 35-13 rout. The game enabled St. Paul to obtain a piece of the Angelus League title, sharing the League Crown with Mater Dei and Servite.

St. Paul was now in the playoffs for the thirteenth consecutive year. Seated 2nd in the Angelus League, Swordsmen were well-matched with the Crespi Celts, 2nd in the Del Rey League, in what turned out to be a very controversial game. The Celts ran back to kickoff 97 yards for a touchdown, but the Swordsmen bounced back to take control of the game. With the Swordsmen defense playing magnificently, Crespi took possession of the ball with 1:47 to go. In the last 27 seconds of the game a Crespi goal line catch was dropped but declared a touchdown. Score: Crespi 13-10.

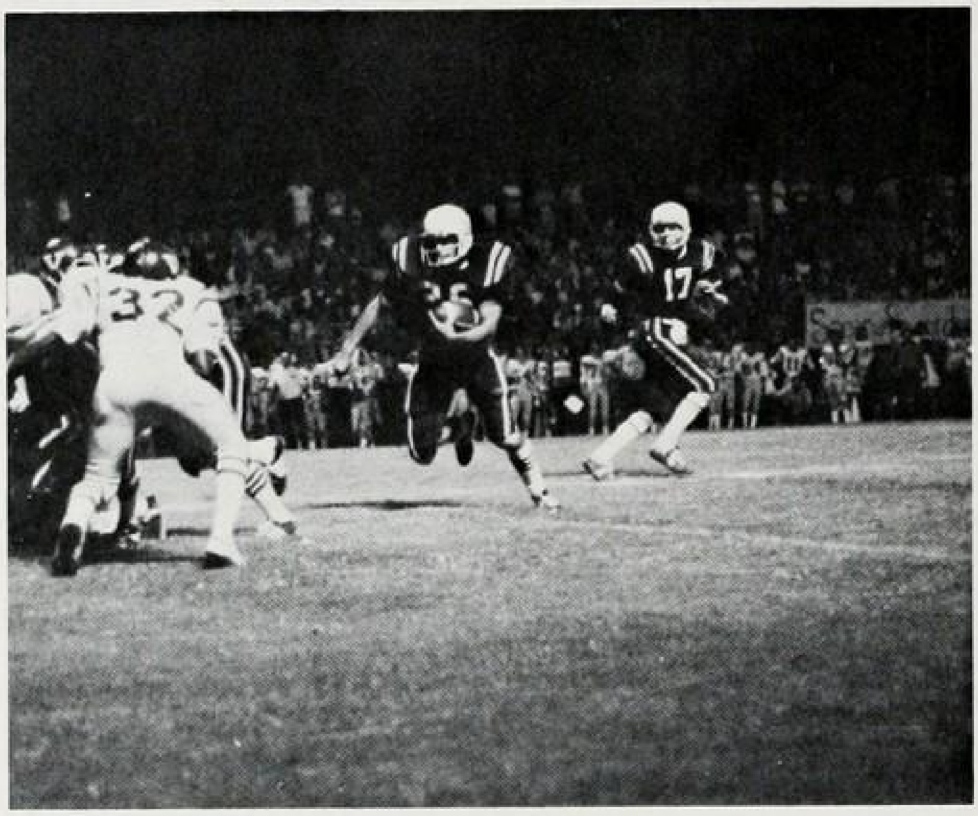

While the first playoff game seemed to be a nightmare relived as the CIF Championship slipped through our hands again, the overall 1979 Season should be looked upon with St. Paul pride and seen as one of many victories for the Swordsmen.

J.V. Football Sees A Strong Season

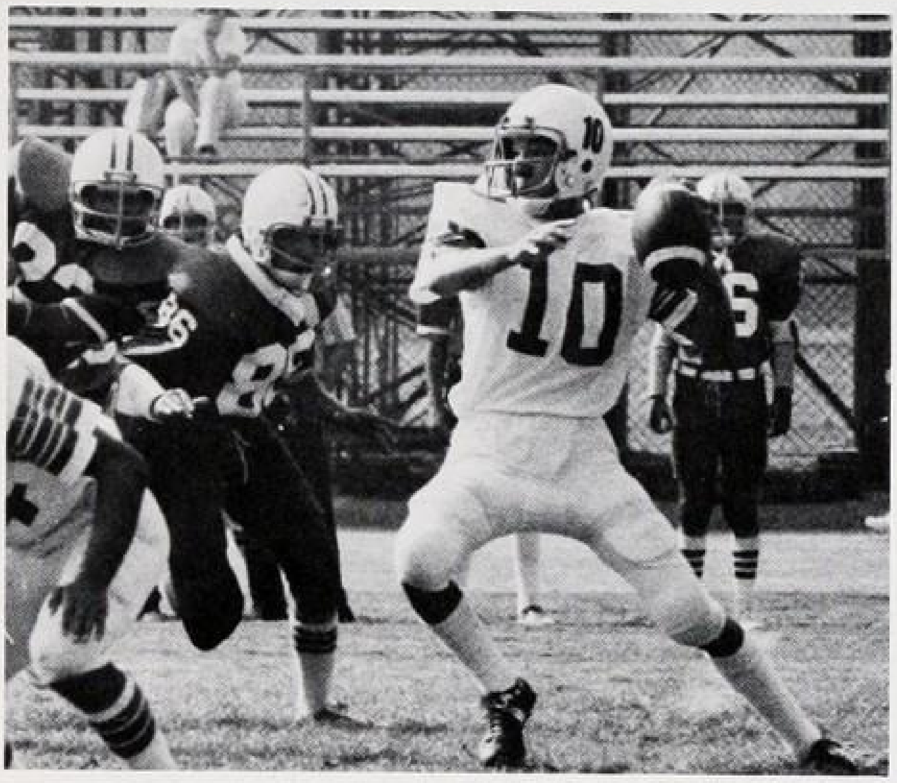

Following an opening season loss to Santa Ana Valley, the J.V. Football Team came back strong to complete a big victory of 13-6 over St. Paul's old rival, El Rancho. Team spirit was kept up when the Swordsmen defeated Banning in a close, but well-played, game of 8-6. Led by quarterback, Andy Camarillo, the offense proved their strength and skill from the start of the season to the finish. Sophomores Robert Oviedo and Ruben Segura joined the defensive team to keep their opponents from getting those points. Despite the disillusioning first game, the J.V. Football Team completed a positive season.

Victorious Season Is Seen By Sophs

The Sophomore football season opened with convincing wins over Santa Fe, 56-0, and long time rival, El Rancho, 54-0. They went on to defeat the highly rated Banning team in an unscored upon game of 9-0. Because of the 1979 undefeated pre-season record, the Sophomores were confident of doing well against Angelus League competition. The first league game saw the Swordsmen play Servite on their territory and defeat them in a close but welled played game of 14-9. As was expected, the rest of the season proved successful and the St. Paul Sophomores emerged victorious.

Frosh Team Has Outstanding Season

After having their opening season game forfeited to them by Santa Ana Valley, this year's Frosh Football Team went on to defeat Damien with an outstanding score of 27-0. The successful start of the season preceded a big victory over West Covina, 42-0. Following an unscored upon pre-season, they continued their winning streak in Angelus League play by defeating long time rival Servite, 17-0. The Frosh record of keeping the opponents out of the end zone was perpetuated when they defeated Bishop Montgomery, 43-0.

A strong initial start set the pace for a promising season, and the St. Paul Freshmen upheld the Swordsmen tradition.

Varsity Cross Country
A Well-Run Season

The Varsity Cross Country team of 1979 had an exciting season. Many hard work-outs and much discipline made the team what it was. The season began with a big win against Bishop Amat and members finished the season with the satisfaction of knowing they did their best in every meet. With Coach Eric Tweit's helpful advice, the team made the most of their season. Several runners returned to the team this year, including David Telles, Paul Banuelos, Greg Mendoza, Marty Garcia, Ted Guzman, And Pete Praetorius.

Joining the coaching staff this year was Mr. Michael O'Donnell. Coach O'Donnell was a welcome addition to the staff because of his encouragement and support.

The boys who put their time and effort into the season deserve acknowledgement. The competition was rough, but the 1979 Varsity Cross Country team made it worthwhile.

Frosh/Soph Have Promising Season

Small but determined might characterize the 1979 Frosh/Soph Cross Country team. Though only eight boys participated, Coach Eric Tweit's team had an exciting season. Returning runners included Jeff Jaso, Larry Banuelos, and Pat Praetorius.

The team ended their season having learned many things from each other, their coaches, and the many opponents they encountered in each meet.

The Frosh/Soph team worked together to make their personal and common goals come true. They finished their season showing great hope for future Cross Country teams.

Top row: Jeff Jaso, Danny Cox, Larry Banuelos, Mike Estrada, Jerry D'Agostino. Bottom row: Pat Praetorius, Richard Keh, David Medina.

Girls' Cross Country Takes Giant Strides

This year, for the second time in St. Paul history, the girls of our school formed their own Cross Country team. The group consisted of twenty-six highly spirited girls from all four grades. With Mr. Eric Tweit coaching these hard-working girls, the team looked very promising.

Many members, returned this year and many runners were added to the roster, making the team larger than last year's, truly displaying St. Paul pride. The returning members backed the team and its new additions with their experience and encouragement.

The 1979 Girls' Cross Country Team was determined to do its best and the season was filled with fun as well as difficult training. Such an enthusiastic group as this shows great promise for the Girls' Cross Country teams in future seasons.

Varsity Volleyball "Spikes" It Rich

The 1979 Varsity Volleyball Team started the year out right with a 2-0 victory over Sacred Heart. Midway through the season they had a 4-4 record, with plans for a successful completion. Offensively, the team was strong with the combined efforts of ace-server and setter, Laura Espinosa; power hitters, Kathy Sullivan and Jeanette Sutton; and blockers, Desi Tourville and Nancy Westbrook. Coach Karen Gunningham has high hopes for the years to come due to the strong foundation built by young players such as Peggy Gutierrez and Gina Trapletti. All and all, the hard work, dedication and skill these girls displayed, contributed to a successful season.

J.V. Volleyball: A Winning Season

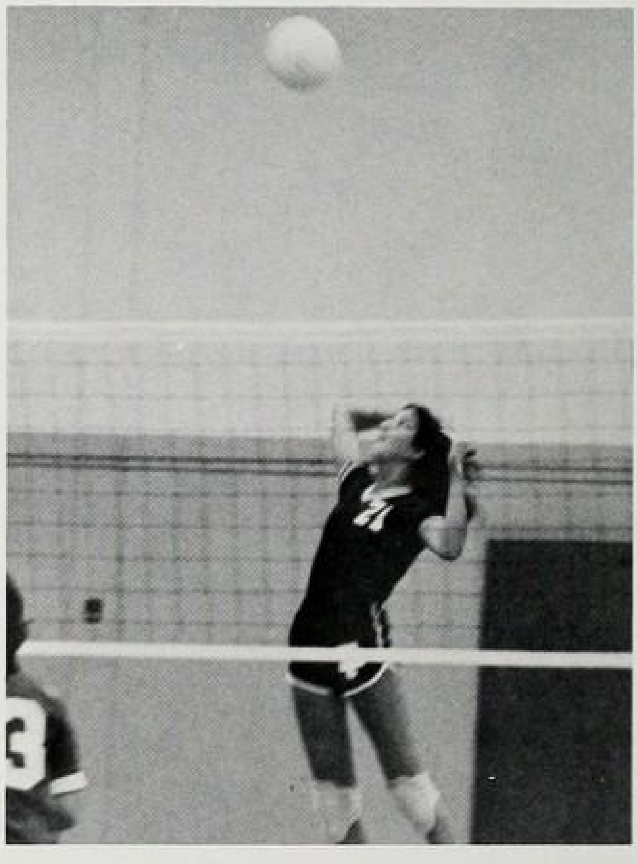

The J.V. Volleyball Team, coached by Miss Lucy Peterson, opened their pre season with a win against Santa Fe, and then lost to La Habra in a close game. League play saw them totally dominate the games against Sacred Heart and Mater Dei. Team spirit was still alive after losing to Pius X, but their strategy concentrated more on team oriented play instead of individual skill. It proved very effective when they defeated Bishop Montgomery, one of their toughest rivals. Subsequently, big victories fell to St. Paul when they played Bishop Amat, and for the second time, Sacred Heart. The players' skill was manifested in their season record, and the J.V. Volleyball Team showed great promise for the future.

Varsity Basketball Sees Winning Season

The 1979-80 St. Paul Varsity Basketball team, led by three year lettermen Jerry Neely and Chris Muller, completed the most successful season in the school's recent history. Combining a fast break attack on offense with a swarming man-to-man full court press on defense, the Swordsmen, coached by Mr. Michael Bowen, improved enough to post the first winning season on record on the varsity level in five years. The team took more victories this season than in the previous four years combined. The outstanding play of Neely, who averaged over 20 points a game, was a unanimous All-Angelus League selection, and Muller, who was St. Paul's best rebounder and inside shooter, contributed a great deal to the team. Senior forward Tom Olson, scoring in double figures repeatedly, provided some especially fine offensive efforts in league play. Junior guards Paul Bates and Eric Ferneau, along with sixth man Ed Moloney, supplied the St. Paul Varsity with a quick, thrusting backcourt. This defensive minded trio will be the heart of next year's team. Center Ted Sorosky and forward Jon Nunez blended well with the team effort in relief. Both players improved remarkably as the season progressed, as did Junior guard David Flores, whose offensive skills showed much promise for the future of Swordsmen basketball.

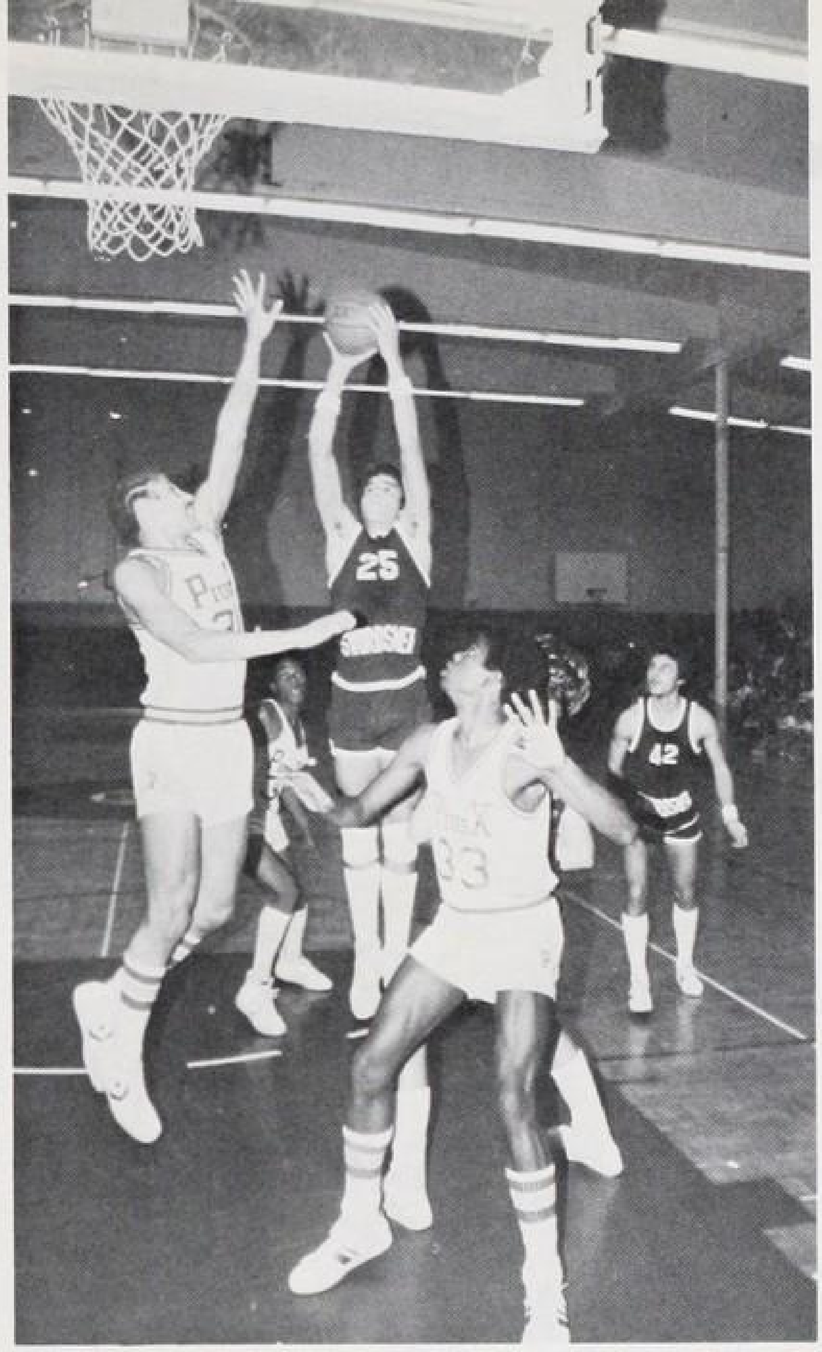

The team's pre-season performance of 7-5 hinted that they were well on their way to a definite winning season, and League play saw the Swordsmen plunge into their games with great vigor and high aspirations. The team's enthusiastic efforts paid off and St. Paul emerged victorious.

J.V. Basketball Gets Tough

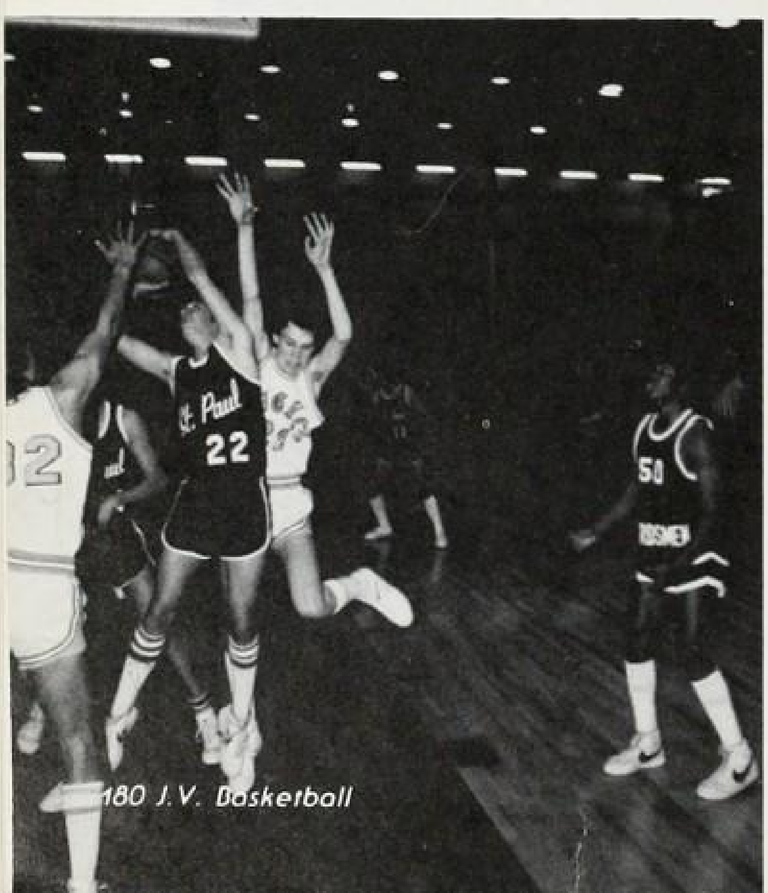

The J.V. Basketball Team began their season with a very positive outlook. With returning J.V. players Juan Flores and Dominic Santana, and from Soph/Frosh levels, Tim Crawley, Kevin Watkins, Jere McDonald, and John Quiroz, the J.V. had a talented starting lineup. Under the coaching of Mr. Bill Holley the hard workouts and tough training paid off in the successful on-court play. The pre-season was highlighted by a close game against Carpinteria, where St. Paul won in overtime. League competition was tough, but the Swordsmen made a good showing, and the enthusiasm of the players set the pace for an exciting overall season, where the defeats were seen as a chance to improve and the victories looked upon with St. Paul Pride.

Sophomores Show Pride And Skill

The St. Paul Sophomore Basketball team opened the season with a win over the highly rated Don Bosco. The Sophomore squad saw a winning streak during the pre-season with victories over St. Anthony, Carpenteria and Whittier.

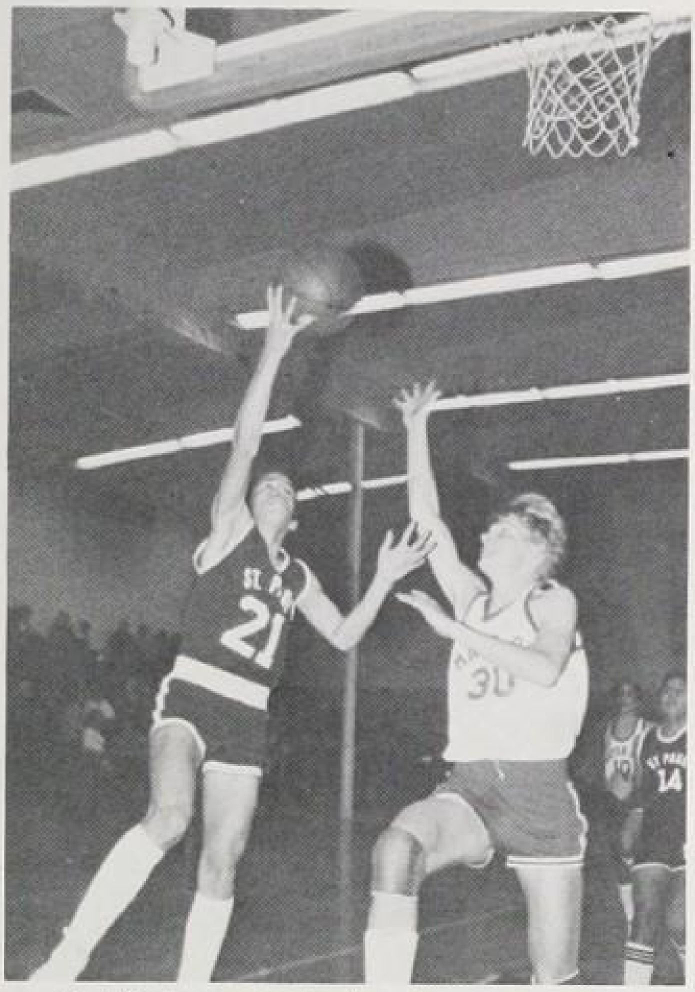

Angelus League opened with a home game against their toughest opponent, the Mater Dei Monarchs. In a tense and vigorous game the Monarchs edged the Swordsmen 56-51 in overtime. After this highly emotional loss the Sophomores were able to regain confidence and jump back into their games with enthusiasm to win the four following games. The Sophomore team saw a very exciting season and also set new goals for the future.

Freshmen Basketball '79-'80

Mark Espinosa goes in the air to score.

This year's Freshmen Basketball team started out the season with high expectations, which led them to victory. Although these players had never played together before, they proved that they had team unity.

The team was led by Coach Gunningham. The starting players were Ken Ramirez, Larry Dominguez, Sebastian Apodaca, Mark Espinosa, and Jim Pelegrino. The team's excellence reflected the St. Paul superiority in competition.

Girls' Varsity Team Shows Spirit And Class

"Now let 'em try to get a basket!"

The 1979-1980 Girls' Varsity Basketball season was one of many ups and downs, as well as a learning experience —both on and off the court. Having learned just what it takes to be a #1 team, the girls did their best to fulfill their goals.

If there were ever a situation where one tackles competition, endurance of mind and body, tolerance of their own and other's shortcomings, sportsmanship, spirit and class — the St. Paul Girls' Varsity Basketball Team for 1979-1980 was it!

Losing 7 seniors, along with height and experience, the coach looks to the up and coming J.V. "fighters" and a blend of the 4 returning Varsity members, with high hopes for next year.

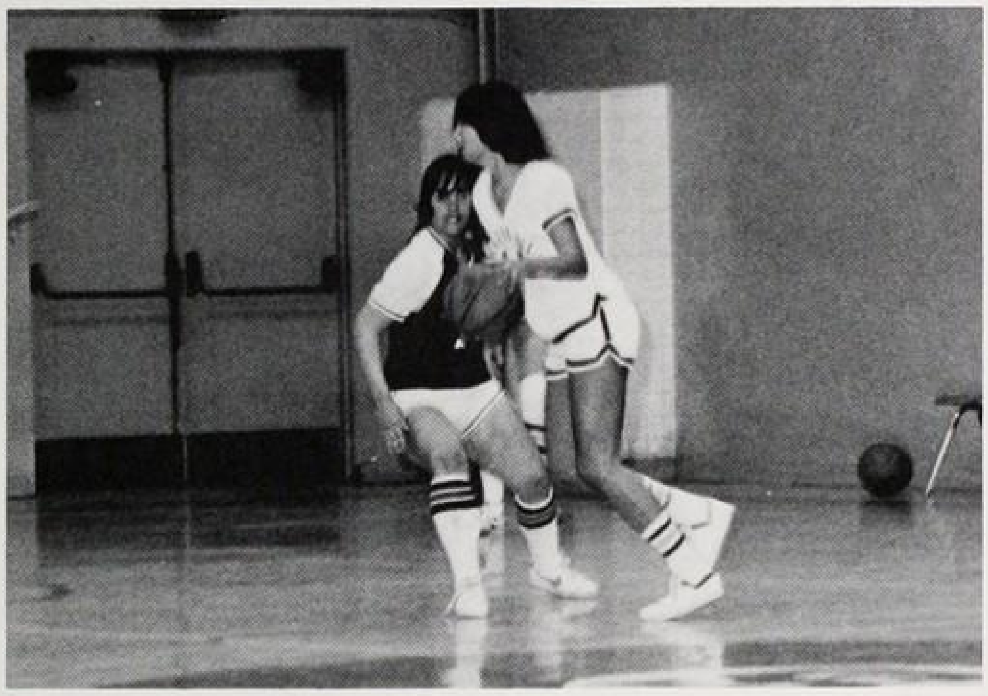

Top row: Cynthia Gunther, Desi Tourville, Nancy Westbrook, Coach Karen Gunningham; second row: Evelyn Garcia, Helga Hrowal, Laura Marron, Ruth Murga; third row: Michi Muller, Angela Martinez, Patty Aquino.

Girls' J.V. Basketball Shoots For Perfection

The Girls' J.V. Basketball Team got off to a strong start this year. They were 2-0 in pre-season and began the regular season with four big wins. The girls worked together to make their season memorable.

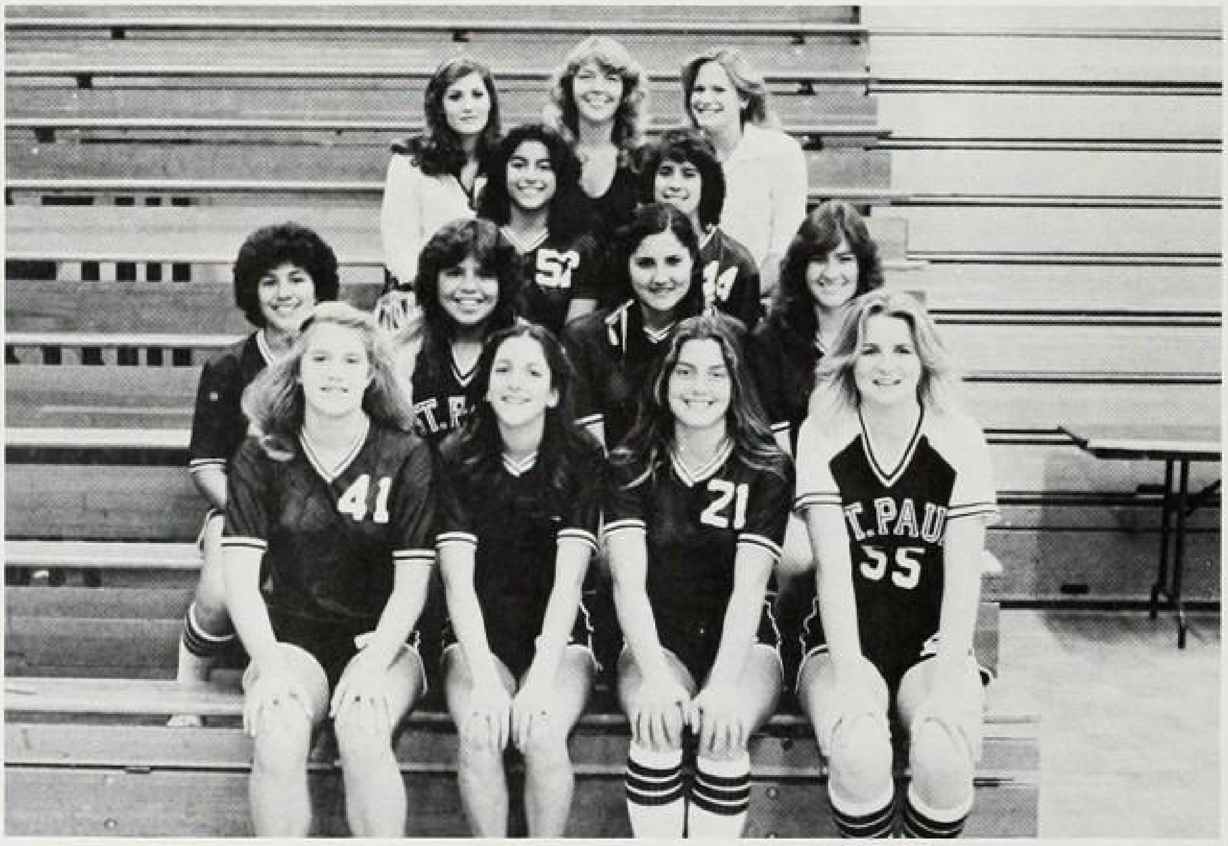

The team was young (6 freshmen, 4 sophomores, and 1 junior) and small, but all of the girls were skilled and enthusiastically coached by Miss Lucy Peterson.

The team was led by Captain Peggy Gutierrez, a second year member. Other notables were leading scorer, Carolyn Quintero, a talented sophomore, Felicia Lenzen, and two promising freshmen, Gina Trapletti and Tee Scott.

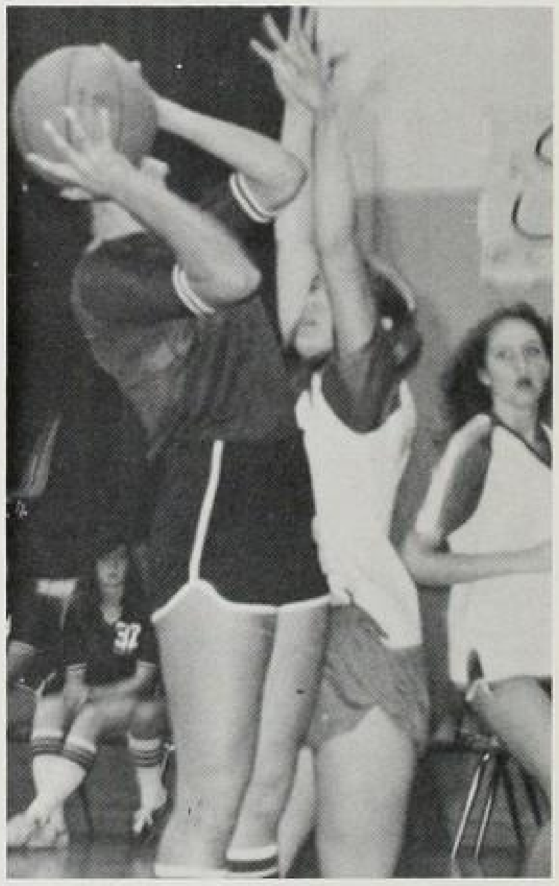

The coach was very pleased with this year's team and is quite optimistic for next year.

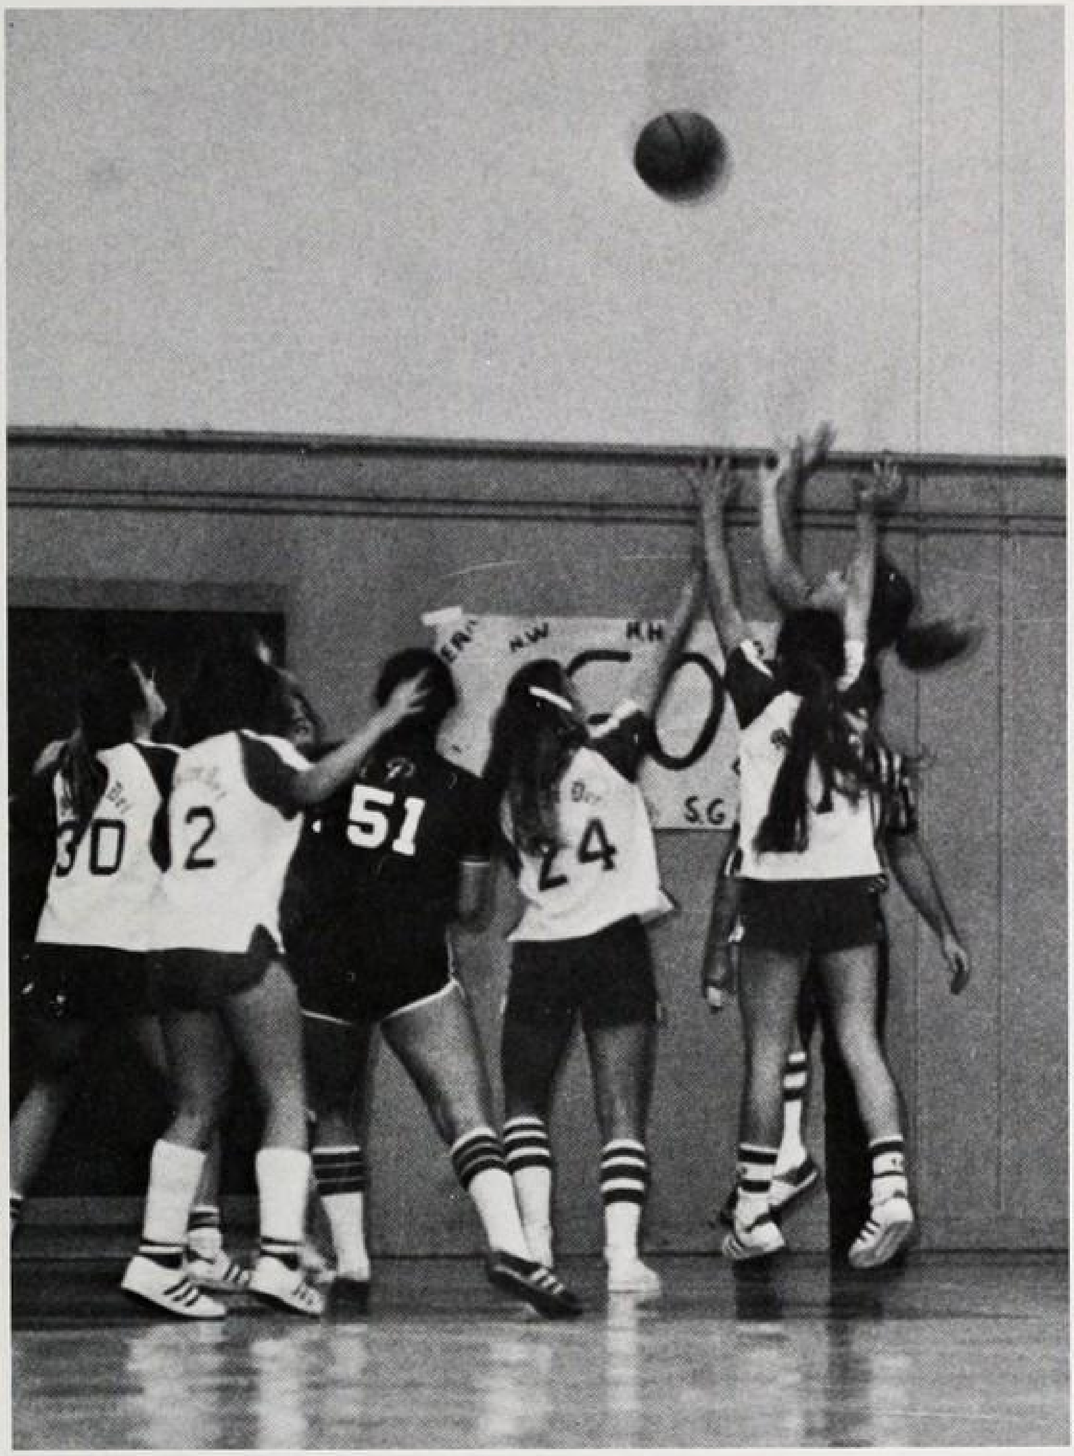

Tired, but ready to win!

Varsity Soccer Comes Through

This year's Varsity Soccer Team was the picture of talent, youth and hope for the future. The Varsity squad, which consisted of four seniors, four juniors, eight sophomores and two freshmen, entered into the first year of the newly formed Angelus League Soccer. St. Paul opened this season with appearances in two of the most competitive high school tournaments in the Southland, the Alemany High School Tournament and the Huntington Beach Tournament.

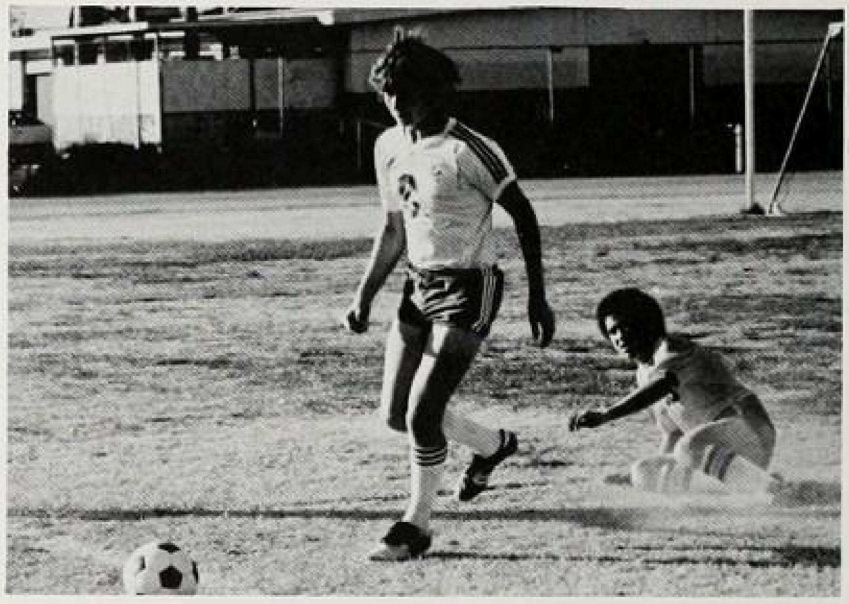

The seniors on the team provided the necessary experience for the younger players. The players of this team proved that the forth-coming seasons will be very bright.

Rejoicing over a successful victory.

J.V. Soccer Team Shows Promise

The J.V. Soccer Team was comprised of a group of dedicated young men. With hard work and determination they set out to fulfill their goal of improvement. They started the season with only three returning players—Larry Frabotta, Bob Peters, and Ken Cooper—but soon became accustomed to one another and set their strategy accordingly. The team's enthusiastic attitude gave great hope for the future of soccer at St. Paul.

The Lumen Staff would like to thank the following people:

Miss Lucy Sacco for support when times were bad, many long overtime hours to help us through the deadlines, guidance and counseling when all hope was lost, and mainly for caring about the staff and the overall quality of this yearbook.
Father Carroll for his letter to the Seniors, his concern about matters dealing with the yearbook, and his faith in us.
Mr. Dave Sorenson for his expert advice, assistance, understanding, patience, and inspiration.
Robert's Photography Studio for the pictures they took, for developing and printing our pictures and for providing other photographic assistance.
Josten's American Yearbook Co. for producing this yearbook.
Cathy and David Mendoza for their artistic ability in developing the theme.
Jim Young, Renee Ortiz, and Bill Nassen for their creative thoughts.
Mrs. Garcia for her advice and encouragement.
Brother Peter for his technical advice on photography and the soccer team pictures.
Mrs. Shaia, Mrs. Sanchez, Mrs. Crouch, and Mrs. Ronan for their time and help.
Mr. Ancich, Mr. Bowen, Mrs. Gunningham, and Mrs. Peterson, for their help with sports information and write-ups.
Mr. Curran for the baseball team picture.
Mr. Bob Henry for his help with the Varsity Football write-ups.
The Squads for providing information for their sections.
Robert Oviedo for providing Soccer information.
All the coaches and club moderators for their time and cooperation.
Mr. Guarino and Mrs. Turner for letting our photographers use the darkroom in Rm. 207.
Mrs. Armstrong and Miss Oswald for the use of the typewriters during class periods.
Heliett Cantarero and Betty Saenz for the help they gave in time of desperation.
Kelly Baca and all those who provided pictures that we could not take ourselves.
Mrs. Atkinson, Miss Barron, Mrs. Hayes, and Mrs. Parades for their suggestions, ideas and moral support.
All our teachers who let us out during class to attend to yearbook business.
Last years yearbook staff for their encouragement, advice and faith in us.
Our parents and families for their sympathy and understanding when we needed it.
All those who helped distribute this yearbook.
Everyone who bought a yearbook.
A very special thanks to God, who heard us when we yelled "HELP!" and answered our prayers by giving us the strength and moral support to continue in our efforts.

OH Dani,

I just don't know how to start this year book. You know WE'VE been through so much together. Gee remember when we use to talk about our problems, boy thanks alot for being there! Having you there was a huge help. Remember that party at your house, that was great. Remember going to the drive-In to watch that gory movie. I just want to tell you that you are the nicest, sweetest, and caring person. And I wish you the best of luck in the future, especially with the (guys). I know that you'll be happy with any kind of choice you make in your life. I really hope that we can go to Hawaii together. We can part-yy for ever! And for sure we'll go out either dancing or partying! I wish you would get your phone fixed so I can call you. When I move up to the mountains, you can come up and ski ~~and~~ party with us, when-ever you want to come. Gee Dani there is so much to say, and I have no more room. But anyways I want to thank you for everythi[ng] everything that you've done (for) to me! Let's stay in touch, 941-6053

Dani,
Although I am only a lowly junior at this time, I will soon become a senior and I can understand how ecstatic you must be. High school memories are the worst; I can gaurantee that all you'll remember of St. Paul's is the rotten teachers, rotten food, and rotten activities. In fact, the best memory you could have would be of me. (Just joking!) I wish you all the happiness in the world. Good luck to you.

Daneen,
Well what can I say, we made it all through four years. We've had our up's and downs but we'll still friends. I'm glad we still are friends and we will always be. Your really a great friend anybody can have. I wish you the best of luck in the world and may all your dreams come true because you deserve the best. I hope that you and Pete will get married some day. And if you do get married invite me to your wedding. Remember the crazy times we've had you Anna Frances and me. Don't ever forget them because that's all we have to look back at. May God Bless you always and take care of you.
